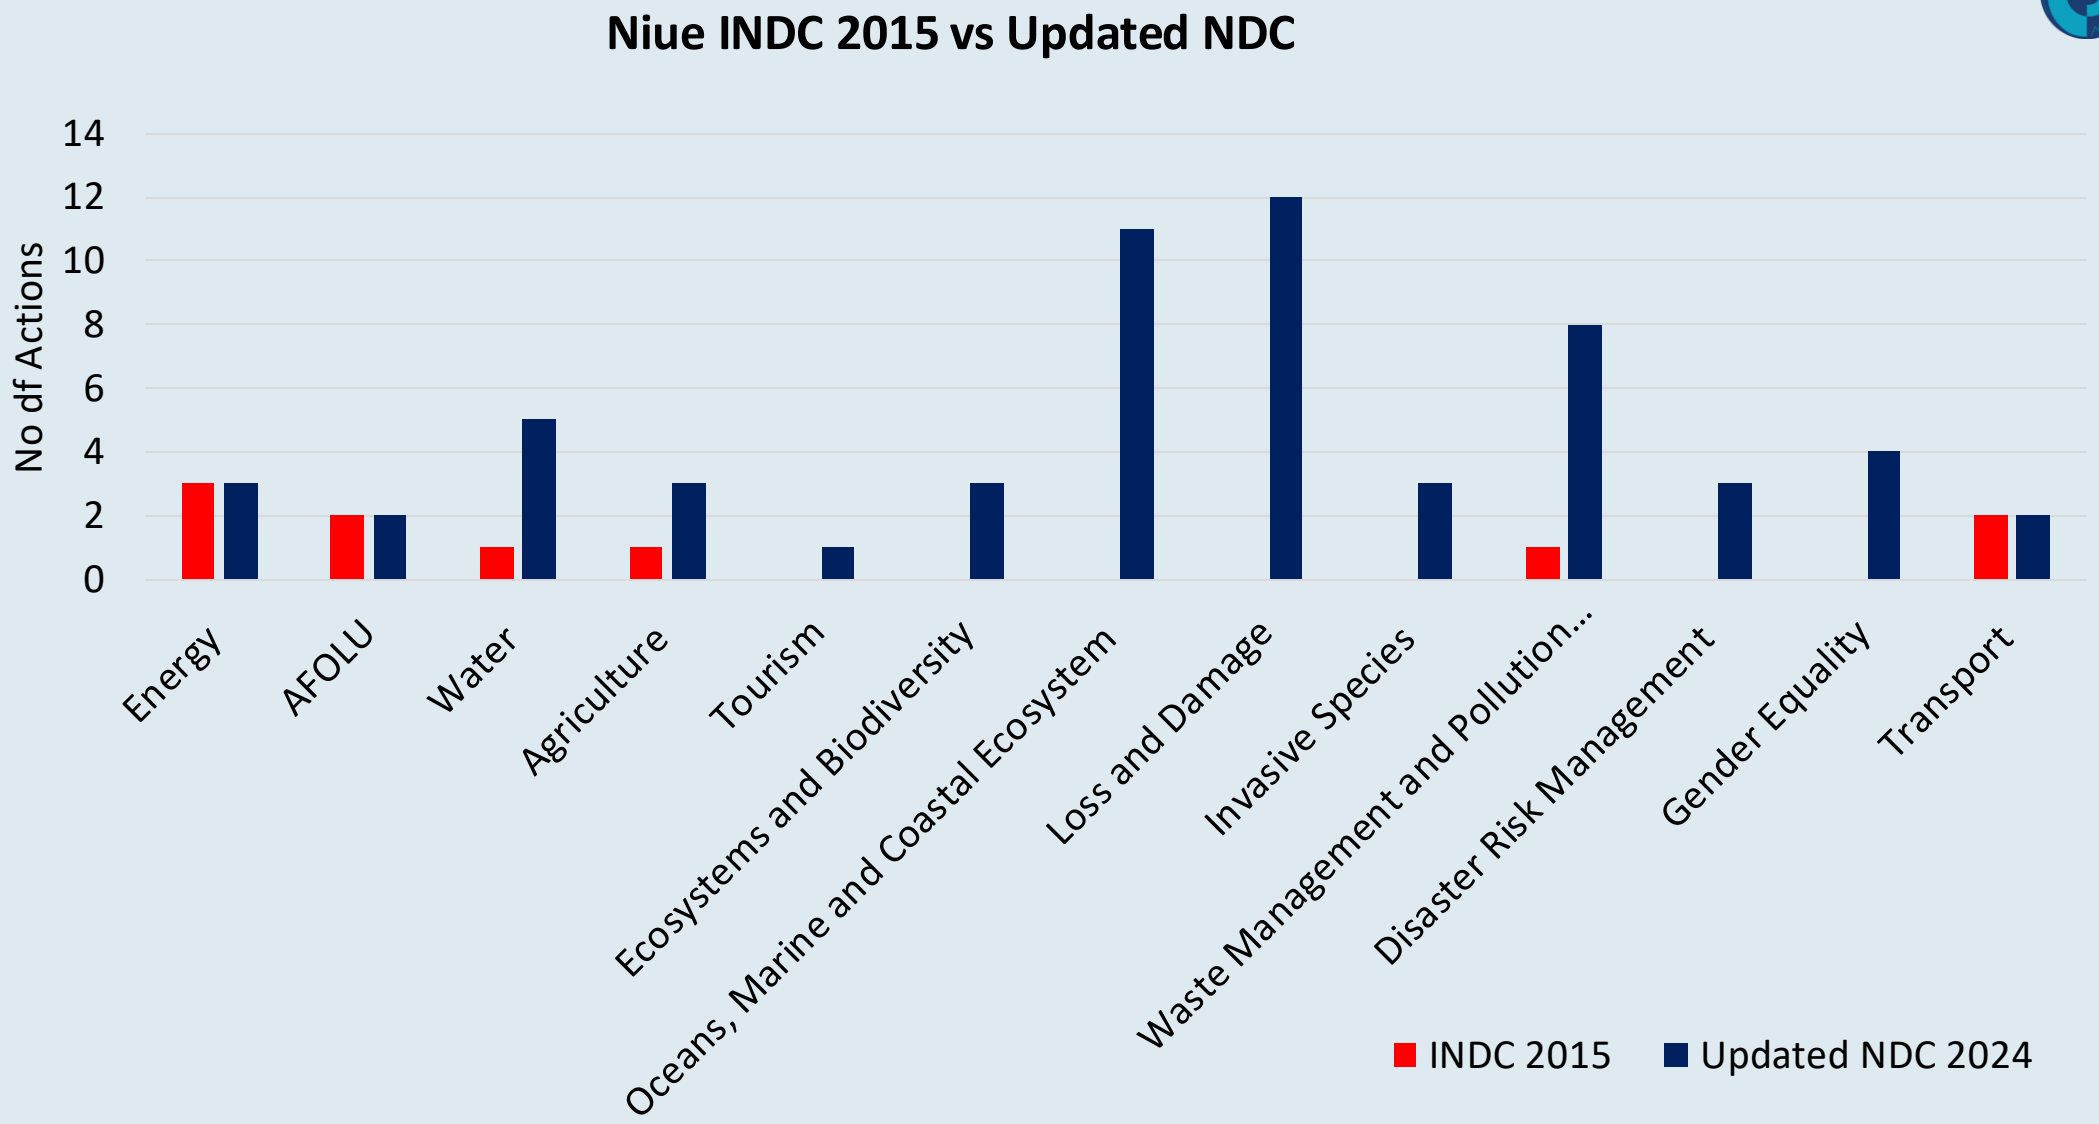
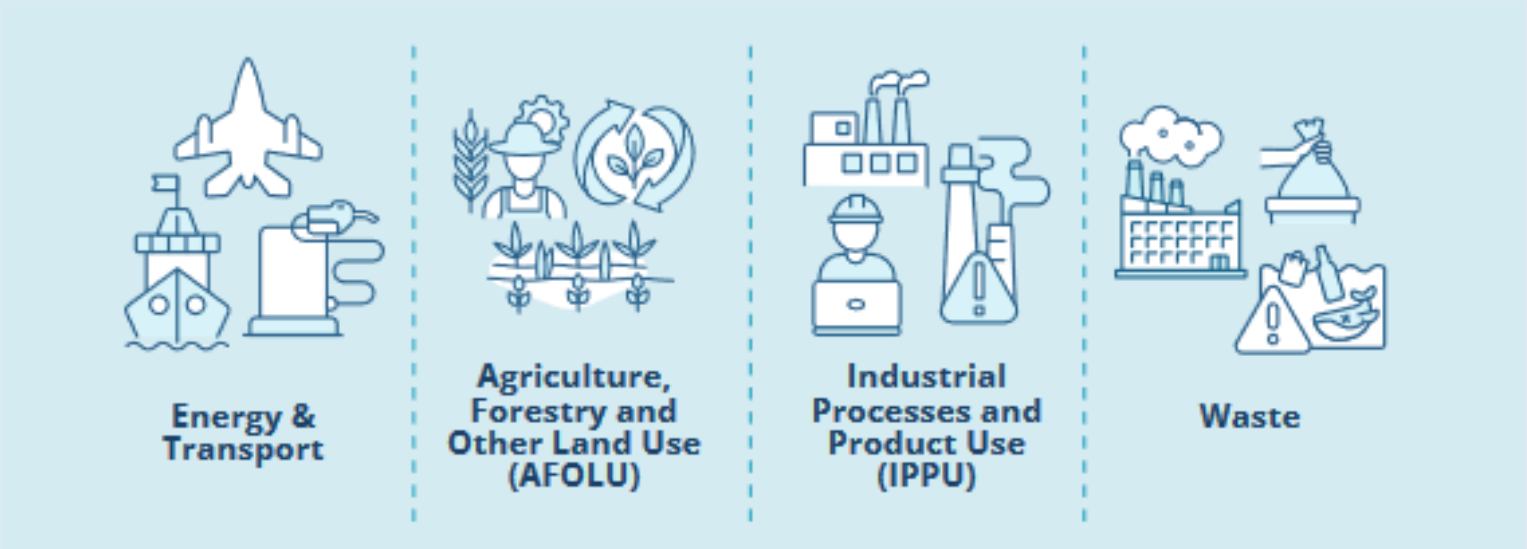
Increasing Ambition: Example of Niue



Regional NDCs Status – LT - LEDS



10 Pacific Island Countries have expressed their intention to develop these plans

5 Pacific Island Countries have submitted LT-LEDS to the UNFCCC. Long-Term Low Emission Development Strategies

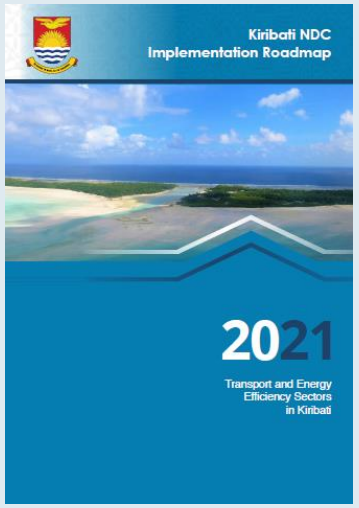
The Regional Pacific NDC Hub is supporting the Solomon Islands to develop their LT-LEDS.

NDC Investment Plan and Project Pipelines

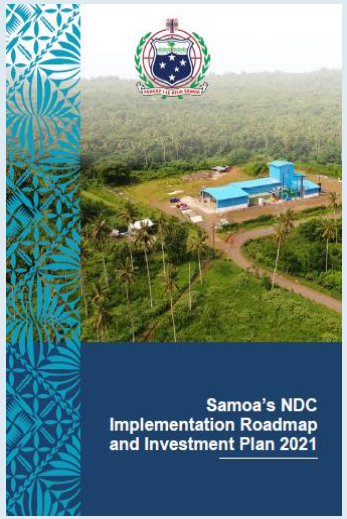
REGIONAL PACIFIC NDC HUB

5 NDC Implementation Roadmaps and 5 NDC Investment Plans including Project Pipelines

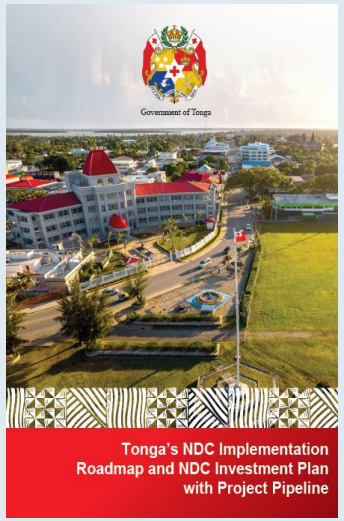
Fiji



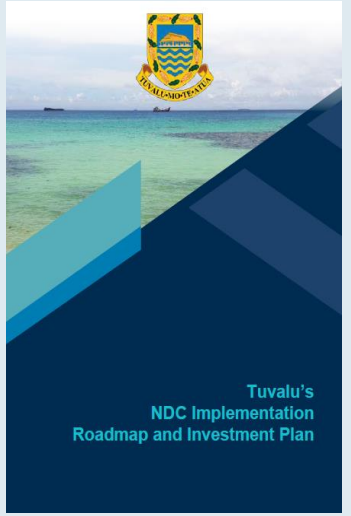
Kiribati



Samoa



Tonga



Tuvalu

Around US$3.5 billion investment opportunities have been identified in 5 PICs

Operationalizing Readiness Function

- 5 countries have NDC investment plans and project pipelines
- 3 more requests in current phase for NDC investment planning
- Stocktake of current investment plans – strategies (its relevance, prioritise)
- Develop investment plan concepts – single projects, regional projects

Country	Type	Date Submitted	NDC Type	NDC Investment Planning
Fiji	Fiji First NDC (Updated submission)	31/12/2020	Updated	**USD 2.97 Billion**
Kiribati	Kiribati Enhanced NDC	2/03/2023	Updated	**USD 210.5 Million**
Samoa	Samoa Second NDC	30/07/2021	Updated	**USD 135.4 Million**
Tonga	Tonga Second NDC	9/12/2020	Updated	**USD 30.3 Million**
Tuvalu	Updated NDC	16/11/2022	Updated	**USD 19.85 Million**
