

## **Acknowledgement**

This study was prepared by Khan M. F. Salehin, Associate Economic Affairs Officer, Trade Facilitation Section, under the direct supervision of Shamika Sirimanne, Chief, Trade Facilitation Section (Secretary of the Commission at the time of publication), and under overall guidance of Ravi Ratnayake, Director, Trade and Investment Division of Economic and Social Commission for Asia and the Pacific. The author is grateful to Shamika Sirimanne for her substantive guidance throughout the writing of the paper. The study also benefited from comments from Yann Duval on the first chapter. Contributions by Suvayu Pant, an intern in the Trade Facilitation Section for assisting in summarizing the good practices for chapter 3 is gratefully acknowledged as well as interns, Arthur Fourmont and Haris Jawaid for developing numerous graphs. The contribution of Bongkojmanee Kohsuwan and Juraporn Sinlapharojanapanich are much appreciated for designing the cover page and formatting the publication respectively.
