## What is CDIA?

CDIA is an international partnership initiative, established in 2007, by the Asian Development Bank and the Government of Germany, with additional core funding support from the governments of Sweden, Austria, Switzerland, and the Shanghai Municipal Government.

# Mandate

CDIA provides assistance to medium-sized Asian cities to bridge the gap between their development plans and the implementation of their infrastructure investments.

CDIA supports the identification and development of urban investment projects and links them with potential financiers.

# CDIA Vietnam Country Strategy

## City Infrastructure Investment Programming & Prioritization (CIIPP)

From wish-list to short-list: systematic approach to objective decision-making and selection of projects

## Pre-Feasibility Studies (PFS)

Preparatory studies comprising sector investment options and priorities, initial scoping and costing of the identified investment project, and designing the governance and financing structures for implementation

## Linking to Finance (LTF)

Advisory support to market local investment proposals to potential financiers

# To achieve **scale**, ensure **sustainability** and make an **impact** on national policies CDIA is engaging with a network of **National Partner Organizations (NPOs)**

## CDIA NPOs in Viet Nam

- Development Strategy Institute (DSI), under the Ministry of Planning & Investment
- Urban Development Agency (UDA), under the Ministry of Construction

# Collaboration w/ NPOs

- **Memorandum of Understanding** signed in 2011 as operational basis for cooperation
- Through **institutional scans**, identified cities eligible and interested for CDIA technical assistance
- Have **applied CDIA tools and processes** such as CIIPP, PFS and Linking to Finance
- Increased outreach to cities on addressing infrastructure investment gaps through **policy dialogue** and **advocacy**
- **Joint activities** developed and access to national government resources facilitated
- CDIA Young Asian Professionals Program – a **6-month internship** aimed at enhancing capacity of young urban practitioners

## **Through our work with NPOs, CDIA as a regional program hopes to:**

- Reach out to more cities
- Ensure our tools and approaches are locally relevant and embedded in national policies
- Generate additional resources

## **In Viet Nam, CDIA also works closely with:**

- ADB Resident Mission
- GIZ Country Office
- SECO
