

Group 2

Recommendation number one

The Regional Action Framework should work towards 2025, which creates an opportunity for a CRVS decade (2015-2025)

Group 2

Recommendation number two

New vision:

By 2025, all Asian and Pacific countries have universal CRVS systems that facilitate the rights of individuals and supports social and economic development

Group 2

Group 2

Recommendation number three

New formulation of Goal 2:
**Effective and efficient legal framework
for CRVS including mandatory
registration for all**

Add 'among other information' to the end of each target (characteristics of the certificate)

Group 2

Recommendation number four

There should be indicators in the capacity areas, for monitoring the quality of legal frameworks

Group 2

Recommendation number five

The establishment of a coordination committee should be a prerequisite for countries to sign up for the Regional Action Framework (possibly as an element of a Ministerial Declaration)
