

Session 3 (SIDE) 5.5.6

The Swedish Dev Coop Agency is supporting Regional development cooperation in ASEAN. Our focus is on Environment/Climate change and HR/Gen/Bender equality. We very much appreciate the work of ESCAP ~~and~~ and the ARFSD and the initiative to develop a Regional Road Map for implementation of the ~~SDG~~ Agenda and the sustainable dev. goals. We will follow the implementation closely and support the efforts for a more inclusive and just dev. in Asia.

To reach the future we want we need to include all stakeholders gov, civil society, private sector in planning and implementation of the Ag.

→ everybody must participate in the planning, implementation and follow up of the agenda - Gov, Civil, Private Sector

It is important that

To reach the future we want everybody must participate in the planning, implementation and follow up of the agenda - Gov, Civil Soc, Private.
