

## Session 6

### Group 3

## Data sharing and collaboration

### Establishing linkages across datasets and/or across borders?

Challenges	Step forward
<ul style="list-style-type: none"><li>• Census data not comparable with admin. records/sample surveys</li><li>• Incomplete vital registration</li><li>• Promote importance of statistics derived from admin. records</li><li>• Lack of coordination among stakeholders</li></ul>	<ul style="list-style-type: none"><li>• Use census data as reference/frame only</li><li>• Improve admin. records</li><li>• Advocate for high-level support and coordination</li><li>• Stakeholders working group</li><li>• More frequent consultation and exchange of data bilaterally</li></ul>
