Overview of the Draft Beijing declaration

Agenda Item 6

Consideration of the draft Beijing declaration and action plan to accelerate the implementation of the Incheon Strategy, in the context of the 2030 Agenda for Sustainable Development

28 November 2017 - Beijing
Background

Decision by the 3rd session of the Working Group to have the outcome document.

Nature of the outcome document:
- Supplement to the Incheon Strategy;
- Containing recommendations for policy actions;
- Developed in context of the 2030 Agenda for Sustainable Development.
Inclusive drafting process

April to May 2017: Working Group made inputs to the outline and an initial draft;
June 2017: Experts on disability made inputs;
Aug 2017: Working Group reviewed the zero draft.
Sep to Nov 2017: member States made inputs to latest two drafts.
Declaration: overview

- Reaffirm member States’ commitment to accelerate the implementation of the Incheon Strategy;
- Revisit achievements of the last five years through listing major resolutions and other intergovernmental commitments;
- Revisit persistent challenges faced by persons with disabilities;
- Highlights major actions to be taken by ESCAP.
Overview of the action plan

Action Plan

Provide recommendations for strategic policy measures to accelerate the implementation of the Incheon Strategy for each of the 10 IS goals

Main actors: Governments

Multi-stakeholders approach

Operational synergy with the 2030 Agenda for Sustainable Development
Structure

 Declaration
  • Preamble paragraphs
  • Operative paragraphs

 Action Plan
  • Introduction
  • Objectives
  • Guiding principles
  • Advancing the implementation of the 2030 Agenda for Sustainable Development from a disability perspective
  • Advancing the implementation of the Incheon Strategy
  • Modalities for effective implementation
  • Tracking the progress of the Action Plan
Unique feature of the action plan

Actions under each IS goal are linked to specific SDGs targets, and as appropriate, provisions of the Sendai Framework for Disaster Risk Reduction, 2015–2030.
Thank you!

BEIJING, 27 NOVEMBER TO 1 DECEMBER 2017
