UNECE / EuroStat / OECD / ESCAP MSIS (Bangkok), April 2013

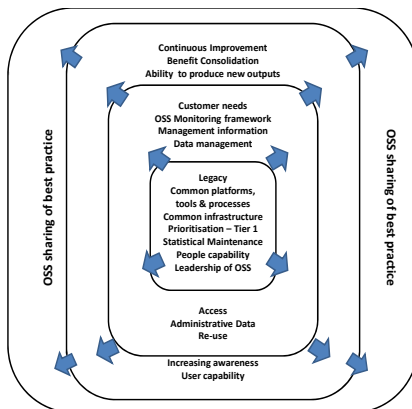

Overview

- Statistics 2020 – Te Kapehu Whetu.
- Our approach to standardisation
- Medium to Longer-term vision

Statistics 2020 – Te Kapehu Whetu

Statistics 2020 – Te Kapehu Whetu

Standardisation – our approach

- Standardising end-to-end
 - Heavy dependence on gBPM / GSBPM
 - Concepts, processes, methods, infrastructure & systems.
- Statistical Infrastructure Programme
- Enterprise Architecture
 - Shared services, platforms, NZICT Strategy
- International Collaboration
- Governance
- Measuring progress

Measuring Progress

Medium to Longer-term Vision

- Statistical Infrastructure Programme
- Leadership by Standards & Methods
 - Culture of leadership
 - Increase engagement
 - Develop capability – influencing & technical
 - Share expertise
- Organisational structures
 - Collaboration
