

MDG to SDG

Statistical Development in Lao PDR

Present by Mr. Samaychanh Boupha
Lao Statistical Bureau (LSB)

Overview on MGD's in Lao PDR

1. Process for the international development:
 - + UN commission – 8 goals MDG.
 - + Statistical Commission + International Agencies – indicators.
 - + Regional Commission – workshop; seminars training; forum; meeting and others.
 - + National level – implemented 8 goals.

2. Process for the national level

- + Reference: 1. social economic development 5 year plan 2011-2015; 2. 8 goals MDG; 3. annual Statistical action plan...
- + To provide statistics data: censuses and surveys; administrative reports ...
- + Legal framework: Statistical Law and Strategy for development National Statistical System (SDNSS)2010-2020.
- + Data base – from central to district level.
- + Data Dissemination – statistical year book, six months reports...
- + capacity building; NHDR...
- + Meeting; conferences; workshop and others to discuss indicators – economic, social and other indicators including classification and registration (Civil and business registration).

The way forward SDG

1. Legal framework – update Statistical Law in 2017; five year plan for provincial level, vision 2030.
2. Improve organization – statistical region, statistical association and statistical board.
2. Modernization – data collection, ICT (connecting and data base), dissemination (web site, mapping and others).
3. Indicators – national, sub-regional (ASEAN), regional and global – consultation meeting.
4. Capacity building, HDR...
5. Role of coordination, connecting and cooperation
