

Moving forward

Contribution of Asia-Pacific to implementation of the global SDG indicator framework

1

Statistics Division: <http://www.unescap.org/our-work/statistics>

Session questions

- How can members of the IAEG-SDG and the IAEG-HLG obtain necessary inputs from countries to effectively contribute to global SDG monitoring?
- What are the related needs for regular regional and sub-regional consultations?
- What kind of support is needed from international development partners?

2

Statistics Division: <http://www.unescap.org/our-work/statistics>
