

**ADB and UN WOMEN ROAP partnership**

Joint Benchmark Publication on Gender Equality and the SDGs in Asia and the Pacific Region

- Will enable to track progress and help increase accountability for achieving gender equality in the region by 2030

## Objectives

### Benchmark Publication

Take stock of data availability and comparability across the region for gender related SDGs and targets;

Assess/forecast achievement of the gender related targets at the outset of the 15 years;

Provide clear policy directions for achieving gender equality and the empowerment of women and girls in the region by 2030.

## Two Major Parts

### Benchmark Publication

#### ANALYTICAL PART:

Snapshot of where we stand in the region

In depth analysis of key transformational gender issues selected based on a conceptual framework;

Conceptual framework establishes the connections between SDG 5 and other gender related goals and targets in the SDGs;

Clear directions in terms of policies and other measures including way forward to fill in data gaps.

#### STATISTICAL PART:

Mapping of existing data and identification of data gaps and issues for all gender related targets/indicators in the SDGs
