Regional Consultation on Facilitating Innovative Action on Disability-inclusive and Gender-responsive Disaster Risk Reduction in Asia and the Pacific

Objectives and structure of the Regional Consultation

Ms. Cai Cai, Chief, Gender Equality and Social Inclusion Section, SDD, ESCAP
Objectives of the Consultation

- To identify DiDRR policy and implementation gaps as well as good practices in Asia and the Pacific
- To discuss strategies to create effective DiDRR e-learning tools
Expected outcomes of the Consultation

1. Shared knowledge on DiDRR
2. Expanded network
3. Expressions of interests in ESCAP’s assistance on DiDRR e-learning tools.

And:
1. Development of the e-learning tools in a few selected countries and updating of the ESCAP DiDRR e-learning tool in English
2. Finalization of the background paper
Structure of the Consultation: Day 1

1. To enhance knowledge on DiDRR policy and its implementation in Asia and the Pacific

   Three sessions:

   ✓ Session 1: Disability-inclusive Disaster Risk Reduction - An overview of global and regional frameworks and mandates in Asia and the Pacific
   ✓ Session 2: Challenges and opportunities in DiDRR
   ✓ Session 3: Impacts of COVID-19 on DiDRR: Challenges and opportunities for inclusive response to natural and biological hazards through DiDRR
Structure of the Consultation: Day 2

2. To discuss and outline strategies to create effective ESCAP DiDRR e-learning tools.

➢ Two sessions:
  ✓ Session 4: Capacity Development Needs and Review of Innovative tools on DiDRR
  ✓ Session 5: Challenges, opportunities, and good practices to create enabling systems to facilitate learning and implementation of DiDRR
Thank you for your contributions!
