

Digital Platforms Supporting Cross Border Trade

Case Study 1: Electronic presentation of documents and transfer of BL title for L/C shipment between Singapore and Shenzhen

Problem

- Today for L/C documents presentation, still requires paper documents sent by courier
- Transfer of title in the Bill of Lading is not electronic

Solution

- GUUD's Ryte Platform uses Singapore Government's TradeTrust for e-document presentation and title transfer

Electronic presentation of documents

Electronic transfer of title

Buyer

Issuing Bank

Negotiating Bank

Seller

Case Study 2: Cross Border CO Exchange Between Singapore and Belgium
