OUTLINE

Key Challenges

1. Overall VNR Process
2. Stakeholder Engagement
3. Data Collection
1) OVERALL VNR PROCESS

I. COVID-19 Border Restrictions

II. Poor internet connectivity

III. Size of Tuvalu VNR Team
2) STAKEHOLDER ENGAGEMENT

i. Accommodating the complexities of a cross-section of Tuvalu stakeholders

ii. Transportation issues
   o (inconsistency of boat schedule)

iii. Limited resources available
3) DATA COLLECTION

i. Development of the Key Indicator Framework for VNR

ii. Populating of the Indicator Framework with data
   • Difficulties in collecting & analysing administrative data
   • Lack of availability of up to date data
   • Unavailable data from stakeholders
