Working Group Questions:

1. Who are excluded and how do we ensure INCLUSION and MEANINGFUL PARTICIPATION of individuals fully in the economic, social, political and cultural realms, especially of individuals who are disadvantaged and marginalized on the basis of multiple and intersecting forms of discrimination?
2. How do we enhance opportunities, access to resources, voice and agency of individuals, and respect for rights, and ensure their effective engagement in decisions concerning their sexual and reproductive health and rights? (participants might want to discuss this with a focus on the individual and community levels and policy and systems levels)
3. What are the main achievements, good practices and lessons learned?
4. What are the remaining challenges?
5. How have COVID-19, climate change and ICTs impacted the achievement of the priority issues? Please differentiate between positive and negative effects.
