Processes to implement the National SDG Tracker

• SDG Tracker and SDG TWG (Technical Working Group) Project began in January 2022.
• The project is jointly led by the Special National Coordination Committee for SDGs at the Prime Minister’s Office and Department of Statistics, Department of Economic Planning & Statistics, Ministry of Finance and Economy, and supported by UN ESCAP.
Details of finalizing National SDG Indicators

- **Six (6) Step Process**: (i) Initiation, (ii) Review, validate SDG Indicators, (iii) Set Target Values, (iv) Implement on Tracker, (v) Verify Results, (vi) Launch and Publish Results SDG Dashboard

- **Collaborative partnership** between SDG National Committee, DOS, ESCAP & Line Ministries through series of plenary sessions, bilateral sessions, discussions etc.

- **Challenges**:
  - securing buy-ins;
  - varying degrees of engagement, understanding and commitment;
  - data limitation and capacity gaps

- **Lessons**:
  - Buy-ins is key
  - Collaborative effort
  - Multilevel involvement
  - Capacity building through regional and international cooperation
