1. AT THE GATES

Vehicle Entrance
for personnel who have parking decals or pre-authorised to use the parking
(6:30am - 7:30pm, Mon-Fri, and 7am-7pm, Sat-Sun)

UN Main Entrance
all UN personnel, all visitors, and all conference participants will enter the UN premises
(7am-6pm, Mon-Fri)

Flagpole Gate
for pre-arranged meetings only (during designated hours)

2. THERMAL SCREENING

Thermal screening will be undertaken by medical staff via non-contact digital thermometers or self-scanning with thermal scanners. 

Anyone who does not wear a mask will be denied access to the UN premises.

If a person who undergoes for screening is noted to have a temperature of >37.3 °C, s/he will not be allowed to enter the UN premises. A medical staff will evaluate the person as a possible Patient Under Investigation (PUI) at the screening location.

This person will wait in the holding area and undergo evaluation. If, after the evaluation of the medical staff, the person is considered as a PUI, the medical staff will call the Department of Disease Control (DDC) Hotline (1422) to obtain further guidance on the next steps to manage the case.

For those who have symptoms but do not fulfill the criteria for a PUI, depending on the severity of symptoms, they will be referred to a local hospital for further evaluation or advised to return to their accommodation to rest. They will also be not allowed to enter the premises.

Safety is everyone’s responsibility.

Sit in the Designated Areas
Seats have been reconfigured to keep 1-meter physical distancing.

It is mandatory to wear masks whenever one cannot keep 1-meter physical distancing.

Watch the video message on COVID-19 and be familiarised with its contents.

Use Microphone Cover if you take the floor using microphones.
For respiratory illness:
If you are unwell with fever, cough or other respiratory symptoms, regardless of whether this person has a history of exposure to COVID-19, you may be considered a suspect COVID-19 case. Ensure that you tell the organizers or any responding medical personnel of your travel history.

For COVID-19:
Any meeting participant at UNCC who feels unwell should contact any UN medical service staff at +66-(0)2-288-1352/1353/1761 for further guidance and advice on whether they should come to the ESCAP medical clinic for consultation or be directed to proceed to the Isolation Room for evaluation as a suspect case or PUI.

Medical personnel have the appropriate protective equipment, procedures and training to evaluate suspect cases of COVID-19. They will assess any suspect case and can facilitate referrals to the appropriate hospitals in Bangkok for evaluation and management where required.

Outside of working hours:
For COVID-19 related emergencies call 1422 which is the Thai Department of Disease Control hotline.

Safety is everyone’s responsibility.

FAQs FOR MEETING PARTICIPANTS

I have an important role or presentation to make, and I am unwell. What should I do?
• You should not attend the meeting. Speak with the organizers who should have videoconference arrangements in place so that you can attend or deliver presentations remotely.

Another participant is coughing and unwell. What should I do?
• The first step is to keep your distance, at least 1 meter, from them. If appropriate, encourage the person to avoid others and to seek advice from the Medical Services Unit.

Another participant is coughing and unwell AND I have confirmed information that they have recently been in a country with a widespread COVID-19 outbreak. What should I do?
• If and only if you believe that there is a risk to other participants, speak with the meeting organizers who have been given advice from the medical service on what to do.

In the event I need to be 'quarantined', what does this mean?
• This may be required if you are unwell, and really means 3 key things in practice. You should:
  - Avoid contacts by staying in your accommodation and keeping at least 1 meter away from others.
  - Minimize the spread of virus particles by covering your cough, cleaning surfaces, and washing or sanitizing your hands regularly.
  - Seek care or medical advice by phone first before seeing a healthcare provider in person.

Will there be hand sanitizer available?
• Yes, hand sanitizers stations are in place.

Safety is everyone’s responsibility.
FAQs FOR MEETING PARTICIPANTS

Should I or other participants who are well wear face masks?

• **YES,** in view of the current situation and following the guidance from the local health care authorities, everyone is asked to wear masks while in public places or areas where you cannot maintain 1-meter physical distancing.

Is there other information available?

• **Yes.** The information provided in this brief is enough to manage most concerns. However, for further information, we advise that you refer only to reputable and up to date sources. We encourage you to review the 'Travel Advice' and 'Protect Yourself' sections in the World Health Organization website which is constantly updated to reflect the most recent information.
