WEBSITE: [BIT.LY/34BUUMZ](https://bit.ly/34BUUMZ)

EST - 17 Feb 2022, 21:00-22:15

ICT - 18 Feb 2022, 09:00-10:15

ABOUT SESSION

With the recent Our Common Agenda report call to move beyond GDP, this side event will showcase work already underway within the statistical community on Measuring Progress Beyond GDP as well as exploring how to overcome barriers to using these types of data for decision making.
