Welcome and Introduction

Mr. Alfie Othman
Chief Executive Officer
Singapore Centre for Social Enterprise, raiSE
Objectives

2. Co-create ideas relevant to the challenges of the countries in focus.

Co-creation Workshop Flow

The 3 main agriculture countries that will be focused on are Thailand, Vietnam and India.

- Participants to form country teams of at least 8 persons.
- Each participant in the group will choose one human library to listen and interact with.
- After listening to the human library, participants will return to their country team and share their key learnings.
- Participants will discuss and write their ideas of financial incentives for inclusive business for the respective countries on a post it note and paste it on flip chart in front.
- After which, Human Libraries will read the ideas on the flip charts and provide their thoughts and comments on the top 2-3 ideas which are promising on them.
Human Library Segment (30 mins)

Choose 1 of 7 Human Libraries (30 mins)

- At least 1 member in your group must go to 1 human library.
- Listen to their experiences.
- Proactively ask questions that will benefit your chosen country’s challenges.
- Keep the sharing focused on workshop topic.

Reflect On What You Observed

- After 30 mins of Human Library session, regroup with your teams.
- Share and discuss potential ideas for the country of focus.
- Generate as many ideas as you can. One idea per post it. Stick them on the flip chart.

Share your Ideas

- Human Libraries will read the ideas and share their thoughts on the top 2-3 ideas shared.
