KNBS’ WORK ON INCLUSIVE DATA CHARTER
AND COLLABORATION WITH THE MINISTRY OF LABOUR AND SOCIAL PROTECTION
BY
RENICE BUNDE
KENYA NATIONAL BUREAU OF STATISTICS
13TH JANUARY, 2021
Is the National Statistics Organization (NSO) in Kenya
A Semi-Autonomous Government Agency
Mandated through an Act of Parliament (Statistics Act, 2006) to
✓ collect, analyze, collate and disseminate official statistics
✓ plan, authorize, coordinate and supervise all official statistical programmes undertaken within the national statistical system

Sources of Data
✓ Census, Surveys and Administrative Records
1. Use of WG Short Set of Questions 2019 Population and Housing Census

- Used WG six sets of questions plus additional question on albinism and whether the disability condition is affecting performance of economic activities
- The Bureau released preliminary results that include indicators on disability prevalence by sex, place of residence, counties
- Preparation of Disability Monograph is ongoing
2. Ongoing process of producing the 2019 KPHC Disability Monograph

❖ This thematic area booklet will provide several indicators disaggregated by
  ✓ Sex,
  ✓ Disability Status/Type,
  ✓ Age,
  ✓ Place of residence and
  ✓ Counties.

❖ The other disaggregating variables include:
  ✓ Level and Number of Disability Severities,
  ✓ Education Attainment and Attendance,
  ✓ Employment Status,
  ✓ Marital status,
  ✓ Orphan hood status,
  ✓ Use and Ownership of Housing and Household Amenities (including ICT) etc
3. Disability Statistics Technical Working Group (TWG) was launched in September 2020

❖ Comprises of both data users and producers
❖ Drawn from state and non-state actors e.g. representatives from Ministry of Labour and Social Protection, MOH, NCPWD, DPOs and International Agencies.
❖ Charged with ensuring disability data collection, collation, compilation, analysis and dissemination

• **The Main objective** of forming the TWG is:
  ✓ To establish a coordinated production and dissemination of disability statistics in support of policy and program implementation,
  ✓ For monitoring and evaluation
  ✓ Promoting best practices.
5. Through the Disability TWG, KNBS is planning to collect disability administrative data from key stakeholders
   - The data will be published annually in the annual Economic Survey and Statistical Abstract.

6. The Bureau is also planning to include the WG Enhanced Short set of questions in the upcoming surveys
   - like 2021 KDHS,
   - the Continuous Household Survey Programme, among others.
KNBS is currently providing technical support to the Ministry together with relevant data from various publications as they plan to improve on disability inclusive.

With the assistance of the Ministry of Labour and Social Protection together with UDPK we have also brought on board all the DPOs to ensure that they give their inputs in all stages of disability data production.
There is a plan to validate through the results in 2019 census disability monograph together with the Ministry of Labour and Social Protection and other stakeholders to get their input and ensure that we get comprehensive and accurate indicators.

KNBS in Conjunction with the Ministry are planning to conduct a comprehensive national disability survey once funds are available. This will increase the availability of disability data that is disaggregated by various indicators.
