1.2%	Percentage of households living in temporary house (2020).
42.02%	Forest cover in 2021.
30	Number of significant partners Vietnam has established relations with, in which, 17 are strategic partnership and 13 are comprehensive partnership.

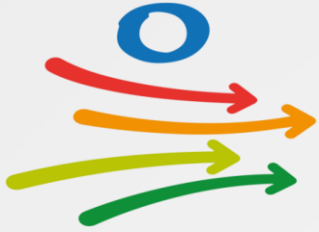

THE ROLE OF NGOs AND SOCIAL ORGANIZATIONS IN SDGs IMPLEMENTATION

- ✓ Providing services to the community, contributing to the achievement of SDGs.
- ✓ Participating in contributing and monitoring to policy development.
- ✓ Connecting and mobilizing domestic and international resources for SDGs implementation.

ENGAGE NGOs AND SOCIAL ORGANIZATIONS INTO SDGs POLICY DEVELOPMENT AND SDG REPORTS

- ✓ Developing National Action Plan on the 2030 Agenda and National SDGs Report and VNR.
- ✓ Reflex contribution of NGOs and Social Organizations on SDGs implementation on the National SDGs Report and VNR.
- ✓ Use data from reports/surveys developed by NGOs and Social Organizations in the National SDGs Report and VNR.

RECOMMENDATION

- ✓ Capacity building on CGD.
- ✓ Dialogues among National SDGs focal point, National Statistic Organization and NGOs/Social Organization on CGD.
- ✓ Promote piloting CGD in different countries, including Viet Nam.
