Accelerating implementation of complementary roadmap of the ASEAN and Common Vision 2025 and 2030 Agenda: Resilience

Sanjay Srivastava
Chief, Disaster Risk Reduction Section, IDD/ESCAP

30 May 2022
Implementation of the complementary roadmap: Resilience

Timeline and key milestones

- **2018**
  - Resilience is also a guiding principle of the ASEAN Community Vision

- **2019/2020**
  - Ready for the Dry Years, First/Second Edition

- **2020**
  - ASEAN Declaration on the Strengthening of Adaptation to Drought

- **2020**
  - ASEAN Declaration on the Strengthening of Adaptation to Drought

- **2021**
  - ASEAN-UN Joint Strategic Plan of Action on Disaster Management
  - Resilience & climate adaptation
Resilience and adaptation pathways for accelerating the implementation of complementary roadmap

Strengthening Coordination between ASEAN Sectoral Bodies

- Adopt ASEAN declaration on drought
- Support cross-sectoral initiatives for drought adaptation
- Address human and ecosystem vulnerabilities in drought hotspots
- Reduce & Prevent
  - Prepare & Respond
  - Restore & Recover

#Track 1: Reduce/Prevent
Managing food (agriculture), water and energy
Climate-resilient water infrastructure

#Track 2: Prepare/Respond
Risk assessment, monitoring, and early warning
Climate services, data and innovations

#Track 3: Restore/Recover
Risk financing and insurance
Forecast-based financing
Social safety nets
