Tuvalu - SDG Tracker
PLANS

• Improve National Indicators (Te Kete – National Strategy for Sustainable Development 2021 – 2030)

• Track progress through SDG Tracker
TUVALU MULTIPLE INDICATOR CLUSTER (MICS) SURVEY 2019-20

• Collected data to produce MICS and Sustainable Development Goals (SDG) indicators.
• Indicators are internationally comparable.
• Launched November 2021.
Sustainable Development Goals (SDGs)

- A total of 17 goals with numerous sub-goals.
- Each sub-goal is measured by an indicator or multiple indicators.

**Goal 1. End poverty in all its forms everywhere**

1.1 By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than $1.25 a day

1.2 By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions

1.1.1 Proportion of the population living below the international poverty line by sex, age, employment status and geographic location (urban/rural)

1.2.1 Proportion of population living below the national poverty line, by sex and age

1.2.2 Proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions
SDG 1: End poverty in all its forms everywhere

• SDG 1.4: Access to basic services, equal rights for vulnerable groups
  • SDG 1.4.1 : Proportion of population living in households with access to basic services
    • Percentage of household members using improved sources of drinking water either in their dwelling/yard/plot or within 30 minutes round trip collection time(a) minus two standard deviations (moderate and severe) – 99.4%
SDG 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture

• SDG 2.2: By 2030, end all forms of malnutrition.
  • SDG 2.2.1: Prevalence of stunting (height for age < -2 standard deviation from the median of the World Health Organization (WHO) Child Growth Standards) among children under 5 years of age
  • Percentage of children under age 5 who fall below (Stunting)
    • (a) minus two standard deviations (moderate and severe) – 5.7%
    • (b) below minus three standard deviations (severe) of the median height for age of the WHO standard – 1.6%
SDG 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture (Continued)

• SDG 2.2.1: Prevalence of malnutrition (weight for height >+2 or <-2 standard deviation from the median of the WHO Child Growth Standards) among children under 5 years of age, by type (wasting and overweight)
  • Percentage of children under age 5 who fall below (Wasting)
    • (a) minus two standard deviations (moderate and severe) – 2.8%
    • (b) minus three standard deviations (severe) of the median weight for height of the WHO standard – 1.3%
  • Percentage of children under age 5 who are above (Overweight)
    • (a) two standard deviations (moderate and severe) – 4.2%
    • (b) three standard deviations (severe) of the median weight for height of the WHO standard – 1.3%
SDG 3: Ensure healthy lives and promote well-being for all at all ages.

• SDG 3.1: By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births
  • SDG 3.1.2: Proportion of births attended by skilled health personnel
    • Percentage of women age 15-49 years with a live birth in the last 2 years whose most recent live birth was attended by skilled health personnel – 99.5%

• SDG 3.2: Reduce neonatal mortality rate to 12 and Under-five mortality rate to 25
  • SDG 3.2.1: Under-5 mortality rate
    • Probability of dying between birth and the fifth birthday – 30 deaths per 1000 live births
  • SDG 3.2.2: Neonatal mortality rate
    • Probability of dying within the first month of life – 8 deaths per 1000 live births (Target achieved)

• SDG 3.7: Access to reproductive health care and family planning
  • SDG 3.7.1: Proportion of women of reproductive age (aged 15–49 years) who have their need for family planning satisfied with modern methods
    • Percentage of women age 15-49 years currently married or in union who have their need for family planning satisfied with modern contraceptive methods – 44.9%
SDG 3: Ensure healthy lives and promote well-being for all at all ages (continued).

• SDG 3.8: Access to quality essential health care services
  • SDG 3.8.1: Coverage of essential health services
    • Percentage of women age 15-49 years currently married or in union who have their need for family planning satisfied with modern contraceptive methods – 44.9%
    • Percentage of women and men age 15-49 years who did not smoke cigarettes or any other smoked tobacco product during the last one month
      • Women – 82.2%
      • Men – 51.2%
    • Percentage of women age 15-49 years with a live birth in the last 2 years who during the pregnancy of the most recent live birth were attended
      • (a) at least once by skilled health personnel – 93.9%
      • (b) at least four times by any provider – 60.3%
      • (c) at least eight times by any provider – 27.7%
    • Percentage of children age 12-23 months who received the third dose of DTP containing vaccine (DTP3) at any time before the survey – 80.1%
SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

- SDG 4.1: By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes
  - SDG 4.1.1: Proportion of children and young people (a) in grades 2/3; (b) at the end of primary; and (c) at the end of lower secondary achieving at least a minimum proficiency level in (i) reading and (ii) mathematics, by sex
    - Percentage of children who successfully completed three foundational reading tasks
      - (a) Age 7-14 – 54.8%
    - Percentage of children who successfully completed four foundational number tasks
      - (d) Age 7-14 – 38.9%
      - (e) Age for grade 2/3 – 26.8%
  - SDG 4.1.2: Completion rate (primary education, lower secondary education, upper secondary education)
    - Percentage of children age 3-5 years above the intended age for the last grade who have completed that grade
      - (a) Primary school – 99.1%
      - (b) Lower secondary school – 88.5%
      - (c) Upper secondary school – 52.6%
SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

• SDG 4.2: By 2030, ensure that all girls and boys have access to quality early childhood development, care and pre-primary education so that they are ready for primary education
  • SDG 4.2.1: Proportion of children aged 24–59 months who are developmentally on track in health, learning and psychosocial well-being, by sex
    • Percentage of children age 36-59 months who are developmentally on track in at least three of the following four domains: literacy-numeracy, physical, social-emotional, and learning – 68.6%
  • SDG 4.2.2: Participation rate in organized learning (one year before the official primary entry age), by sex
    • Percentage of children in the relevant age group (one year before the official primary school entry age) who are attending an early childhood education programme or primary school – 77.1%
SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

- **SDG 4.4**: By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship
  - **SDG 4.4.1**: Proportion of youth and adults with information and communications technology (ICT) skills, by type of skill.
    - Percentage of women and men who have carried out at least one of nine specific computer related activities during the last 3 months
      - **Women**
        - (a) age 15-24: 51.8%
        - (b) age 15-49: 50.9%
      - **Men**
        - (a) age 15-24: 43.3%
        - (b) age 15-49: 48.7%
Other Goals

- SDG 5.b: Percentage of children in the relevant age group (one year before the official primary school entry age) who are attending an early childhood education programme or primary school
- Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation
- SDG 7.1: By 2030, ensure universal access to affordable, reliable and modern energy services
- SDG 16.2: End abuse, exploitation, trafficking and all forms of violence against and torture of children
- SDG 16.9: By 2030, provide legal identity for all, including birth registration
