Kazakhstan's ODA Pilot Projects
(before creation of KazAID)

2014-2017
Together with the United Nations Development Program (UNDP), Kazakhstan implemented the joint project “Expert support for the establishment of the national ODA system in Kazakhstan”.

2017
Together with the UNDP and the Israeli Agency MASHAV, Kazakhstan organised workshop seminars in agricultural sector for Central Asian countries.

2017-2018
Pilot project “Promoting Kazakhstan’s ODA Cooperation with Afghanistan” had been implemented with an assistance of UNDP and MFA of Japan.

2020
Project on supplying Tajikistan's penitentiary institutions with the security equipment made in Kazakhstan had been implemented (through the UNDP and UNODC).
Kazakhstan has been awarded the "invited" status at the DAC OECD, that provides Kazakhstan an access to the best practices for policy-making in the area of ODA.

Kazakhstan provides aggregated reports on ODA flows since 2015.
