Tentative Programme (Round 1)

Regional Workshops on Implementing Data Integration in Asia and the Pacific

Data integration from a management perspective

24 November 2020

Date/time: Round 1: 24 November 2020 12.00-15.00 (Bangkok time, GMT+7)

Objective: Strengthening awareness and capacity for data integration in the countries of Asia and the Pacific

Participants: Managers and experts from national statistical offices and agencies involved in data integration for official statistics

Tools: Microsoft Teams, Mentimeter and Confluence

Time	Topic
11.40-12.00 *(20 min before meeting starts)*	Connection to the meeting Quick instruction on using the Microsoft Teams Platform and Mentimeter
12.00-12.25 (25 min)	**Session 1: Opening and introduction** **Moderator: Ms. Petra Nahmias** - Welcome and opening remarks, Ms. Gemma Van Halderen (5 min) - Objectives of the workshop and a summary of UNESCAP work to support data integration, Ms. Afsaneh Yazdani (5 min) - Intro/tour de table and group photo (15 min)
12.25-13.30 (65 min)	**Session 2: Enabling institutional environment for data integration** **Moderator: Mr. Alick Mjuma Nyasulu** - Key findings of the Asia-Pacific Data Integration Capacity Assessment Survey, Ms. Jenine Borowik (15 min) - What does Australia have in place that makes data integration possible in terms of legal and institutional considerations?, Ms. Deepa Wright (10 min) - KOSTAT's Experience in Enabling an Institutional Environment for Data Integration, Mr. Seung-il Kwon (10 min) Q&A and Discussion (30 min)
10 min	**Break**

Time	Topic
13.40-15.00 (80 min)	**Session 3: Identifying challenges, opportunities, and potential solutions for data integration (group discussion)** **Moderator and facilitators: UNESCAP** - Preparation for group work (10 min) - Get to know team members and choose a rapporteur (5 min) - Discussion to identify challenges, opportunities, and potential solutions for data integration, from a management perspective (35 min) - Sharing the results of the discussion, rapporteurs of groups (15 min) - Plenary discussion (10 min) - Mentimeter and wrap-up (5 min)

Tentative Programme (Round 1)

Regional Workshops on Implementing Data Integration in Asia and the Pacific

Technical issues and solutions for Data Integration

25-27 November 2020

Date/time: Round 1: 25-27 November 2020 12.00-15.00 (Bangkok time, GMT+7)

Objective: Strengthening awareness and capacity for data integration in the countries of Asia and the Pacific

Participants: Experts from national statistical offices and agencies involved in data integration for official statistics

Tools: Microsoft Teams, Mentimeter and Confluence

Day 1: 25 November 2020	
Time	**Topic**
11.40-12.00 *(20 min before meeting starts)*	Connection to the meeting Quick instruction on using the Microsoft Teams Platform and Mentimeter
12.00-13.30 (90 min)	**Session 1: Introduction to data integration** **Moderator: Ms. Afsaneh Yazdani** - Mentimeter (5 min) - Welcome and review the objectives of the workshop, Ms. Petra Nahmias (5 min) - Summary of managers' workshop, Mr. Alick Mjuma Nyasulu (5 min) - Introduction to data integration, Ms. Jenine Borowik (10 min) - Country presentations (5 min each) Q&A and discussion
10 min	**Break**
13.40-15.00 (80 min)	**Session 2: Identifying technical and technological challenges, opportunities, and potential solutions for data integration (group discussion)** **Moderator and facilitators: UNESCAP** - Preparation for group work (10 min) - Get to know team members and choose a rapporteur (5 min) - Discussion to identify technical and technological challenges, opportunities, and potential solutions to further data integration (35 min) - Sharing the results of the discussion, rapporteurs of groups (15 min) - Plenary discussion and wrap-up (15 min)

Day 2: 26 November 2020	
Time	**Topic**
12.00-13.30 (90 min)	**Session 3: Solutions for technical and technological issues** **Moderator: Mr. Alick Mjuma Nyasulu** - Mentimeter (5 min) - Summary of Day 1, Ms. Maria Fe Talento (5 min) - Quickly explore Data Integration Community of Practice, Ms. Jessica Gardner (5 min) - Standards-based Data Exchange with .Stat Suite, Mr. Dayyan Shayani (15 min) - Data Integration in the Compilation of Cohort-Based Marriage and Divorce Indicators in Singapore, Ms. Hui Shan Kua (10 min) - The ABC of Big Data, Dr. Siu Ming Tam (20 min) Q/A and discussion (30 min)
10 min	**Break**
13.40-15.00 (80 min)	**Session 4: Data Integration applications** **Moderator: Ms. Afsaneh Yazdani** - Mentimeter (5 min) - Poverty mapping and disaggregated estimates using Small Area Estimation in ECLAC Statistics Division, Mr. Andres Gutierrez (10 min) - ADB: Mapping Poverty Through Data Integration and Artificial Intelligence, Mr. Arturo Martinez (10 min) - UN-Habitat: Using and integrating non-traditional data sources in urban monitoring, Mr. Robert Ndugwa (10 min) - UNICEF: Data protection and integration for improving availability of data on vulnerable children (SDG 1.3.1), Mr. Pedro Filipe Da Fonseca Freire (10 min) Q/A and discussion (35 min)

Day 3: 27 November 2020	
Time	**Topic**
12.00-13.00 (60 min)	**Session 4: Data Integration applications *(cont.)*** **Moderator: Ms. Maria Fe Talento** - Mentimeter (5 min) - Summary of Day 2, Ms. Jenine Borowik (5 min) - Country experiences in data integration (preferably on poverty-related statistics) (30 min) Q/A and discussion (20 min)
13.00-13.30 (30 min)	**Session 5: Communicating integrated data** **Moderator: Ms. Jessica Gardner** - Audience model for communicating about data integration, Ms. Jessica Gardner (10 min) - Developing a checklist for communication – brainstorming exercise in plenary (15 min) - Review of next steps for integrating communication concerns in the regional guide and other work of the Community of Practice (5 min)
10 min	**Break**
13.40-15.00 (80 min)	**Session 6: Way forward** **Moderator and facilitators: UNESCAP** - Mentimeter (5 min) - Quick review of steps for a data integration project (5 min) - Preparation for group work, breakout into groups, and choose a rapporteur (5 min) - Build on the work done in Session 2 and set a plan for the way forward (35 min) - Sharing the results of the discussion, rapporteurs of groups (15 min) - Plenary discussion and prepare a summary for concluding meeting (10 min) Choosing who will represent expert participants (5 min)

Tentative Programme (Round 1)

Regional Workshops on Implementing Data Integration in Asia and the Pacific

Concluding session

27 November 2020

Date/time: Round 1: 27 November 2020 17.00-18.00 (Bangkok time, GMT+7)

Objective: Concluding session for sharing experiences and recommendations between managers and experts

Participants: Managers and experts from national statistical offices and agencies involved in data integration for official statistics

Tool: Microsoft Teams

Time	Topic
17.00-18.00 (60 min)	**Chair: Ms. Petra Nahmias** - Welcome and review the purpose of session (5 min) - Summary of managers' discussion, representative of managers (10 min) - Summary of experts' discussion, representative of experts (10 min) Discussion on the way forward and decide on next steps (25 min) Workshop evaluation (5 min) Closing the session (5 min)
