Latest Thailand’s Entry Requirements

From 1 July 2022, Thai and foreign nationals are only required to show proof of either a certificate of vaccination or a negative RT-PCR or professional ATK test result within 72 hours of travel. These can be in a print or digital format. Random checks will be made on arrivals at Thailand’s international airports or land border checkpoints (in 22 provinces).

The registration for Thailand Pass and requirement of USD10,000 health insurance will be all lifted.

Unvaccinated/not fully vaccinated travelers who are randomly checked and unable to show proof of a pre-arrival negative test will be required to undergo a professional ATK test at the point of entry.
