

Touch upon the Asia-Pacific Guidelines to Data Integration for Official Statistics

Ms. Jenine Borowik
19 April 2021

Why do we need guidelines?

Scenario – new statistics needed

Manager asks staff member to design
Staff member uses their existing knowledge
Doesn't realise **what they do not know**
Creates statistics but with issues

Manager asks staff member to read the guide
Staff member combines their own knowledge
with the knowledge in the guide
Better manages all issues
Develops their own capacity for the future
Impresses their manager and others

How was Asia-Pacific Guidelines to Data Integration for official statistics developed?
