ANTI-CORRUPTION

The United Nations Global Compact is a call to companies everywhere to align their operations and strategies with Ten Principles in the areas of human rights, labour, environment and anti-corruption.

We support our members in upholding the Ten Principles and delivering the Sustainable Development Goals

We have more than 17,000 companies and 3,800 non-business signatories based in over 160 countries, and 69 Local Networks

Our ambition is to accelerate and scale the global collective impact of business through accountable companies and ecosystems that enable change.

We are the world's largest corporate sustainability initiative — one Global Compact uniting business for a better world.
