Third Country Training Program (TCTP)

Project on
Strengthening Disability Inclusive Disaster Risk Reduction
in the ASEAN Region

Collaboration among

Japan International Cooperation Agency (JICA)

Thailand International Cooperation Agency (TICA)

Asia-Pacific Development Center on Disability (APCD)

Somchai Rungsilp, Community Development Department Manager, APCD
About APCD

• APCD is a regional center for implementing on disability and development. APCD was established in Bangkok, Thailand as a legacy of the Asian and Pacific Decade of Disabled Persons, 1993-2002, with joint collaboration between the Royal Thai Government and Government of Japan.

• APCD was endorsed by ESCAP as a regional cooperative base for its Biwako Millennium Framework for an inclusive society in the Asian and Pacific Decade of Disabled Persons, 2003-2012.

• ESCAP identified APCD as the regional center on disability for the Incheon Strategy to Make the Right Real, 2013-2022. In cooperation with more than 30 countries in the Asia-Pacific region.

• Organization for the Economic Co-operation and Development (OECD) and the World Bank recognized APCD as a good model project globally for South-to-South Cooperation.

• APCD website: www.apcdfoundation.org
