3. Assessment System of Evaluating Gender Equality in Laws and Policies

# Gender Statistics in Shanghai

## Goal

To establish and improve the gender development monitoring index system for based on women and children's development plan.

## National Level

In 2006, NWCCW and NBS released “*Index Dictionary of Gender Statistics for Programs of Women's Development and Programs of Children's Development*”

# Gender Statistics in Shanghai

## Shanghai

In 2007, the revised version of “Measures for the Implementation of the Law of the People's Republic of China on the Guarantee of the Rights and Interests of Women” raised the claim of “Gender-disaggregated Indicators”.

In 2013, SWF proposal “to integrate the Gender-disaggregated Indicators into Statistics Law of China” was submitted to NPC

Shanghai Handbook of  
Gender Statistics

## SWF and GRB Policy

- ❑ In 2002, SWF started the exchange programs on GRB with the Montreal Municipal Government, the Friedrich Elbert Stiftung, ILO Turin International Training Center, and other domestic and foreign organizations
- ❑ In 2011, ***12th Five-year Plan for Shanghai Women's Development*** claimed to “integrate gender perspectives in government budgeting to evaluate the different effects of government revenue and expenditures on both men and women”
- ❑ In 2015, SWF proposed the commencement of gender budgeting to the City People's Congress

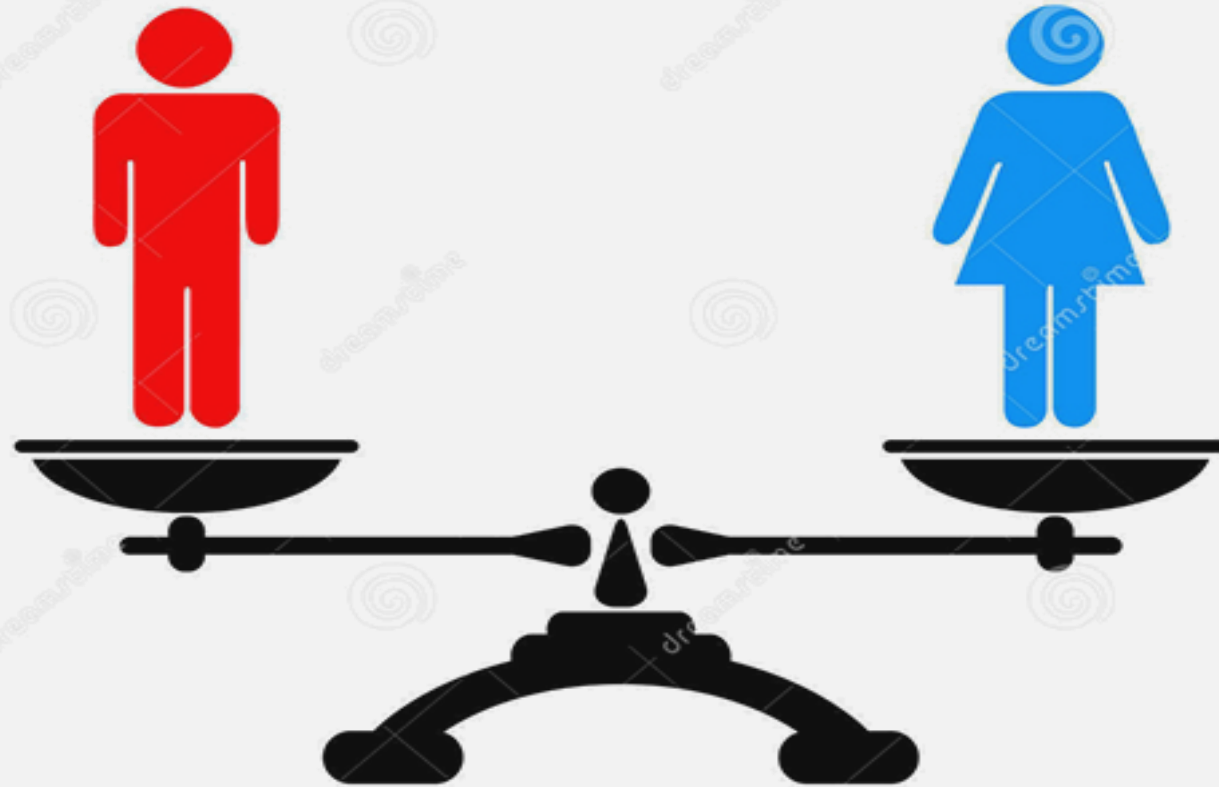

## 上海妇女发展“十二五”规划

问题症结。探索建立特邀监督员制度，依托社会力量对有关部门贯彻“男女平等”基本国策等情况进行监督评议。

5. 构建项目委托平台。市妇女儿童工作委员会每年提出妇女重点项目，通过社会招标或委托进行项目立项、课题申报，接受各类机构和社会组织对需要实施推进的妇女项目和课题申报，有效利用妇女儿童工作委员会平台推动规划项目和课题的实施，定期开展成果评奖。

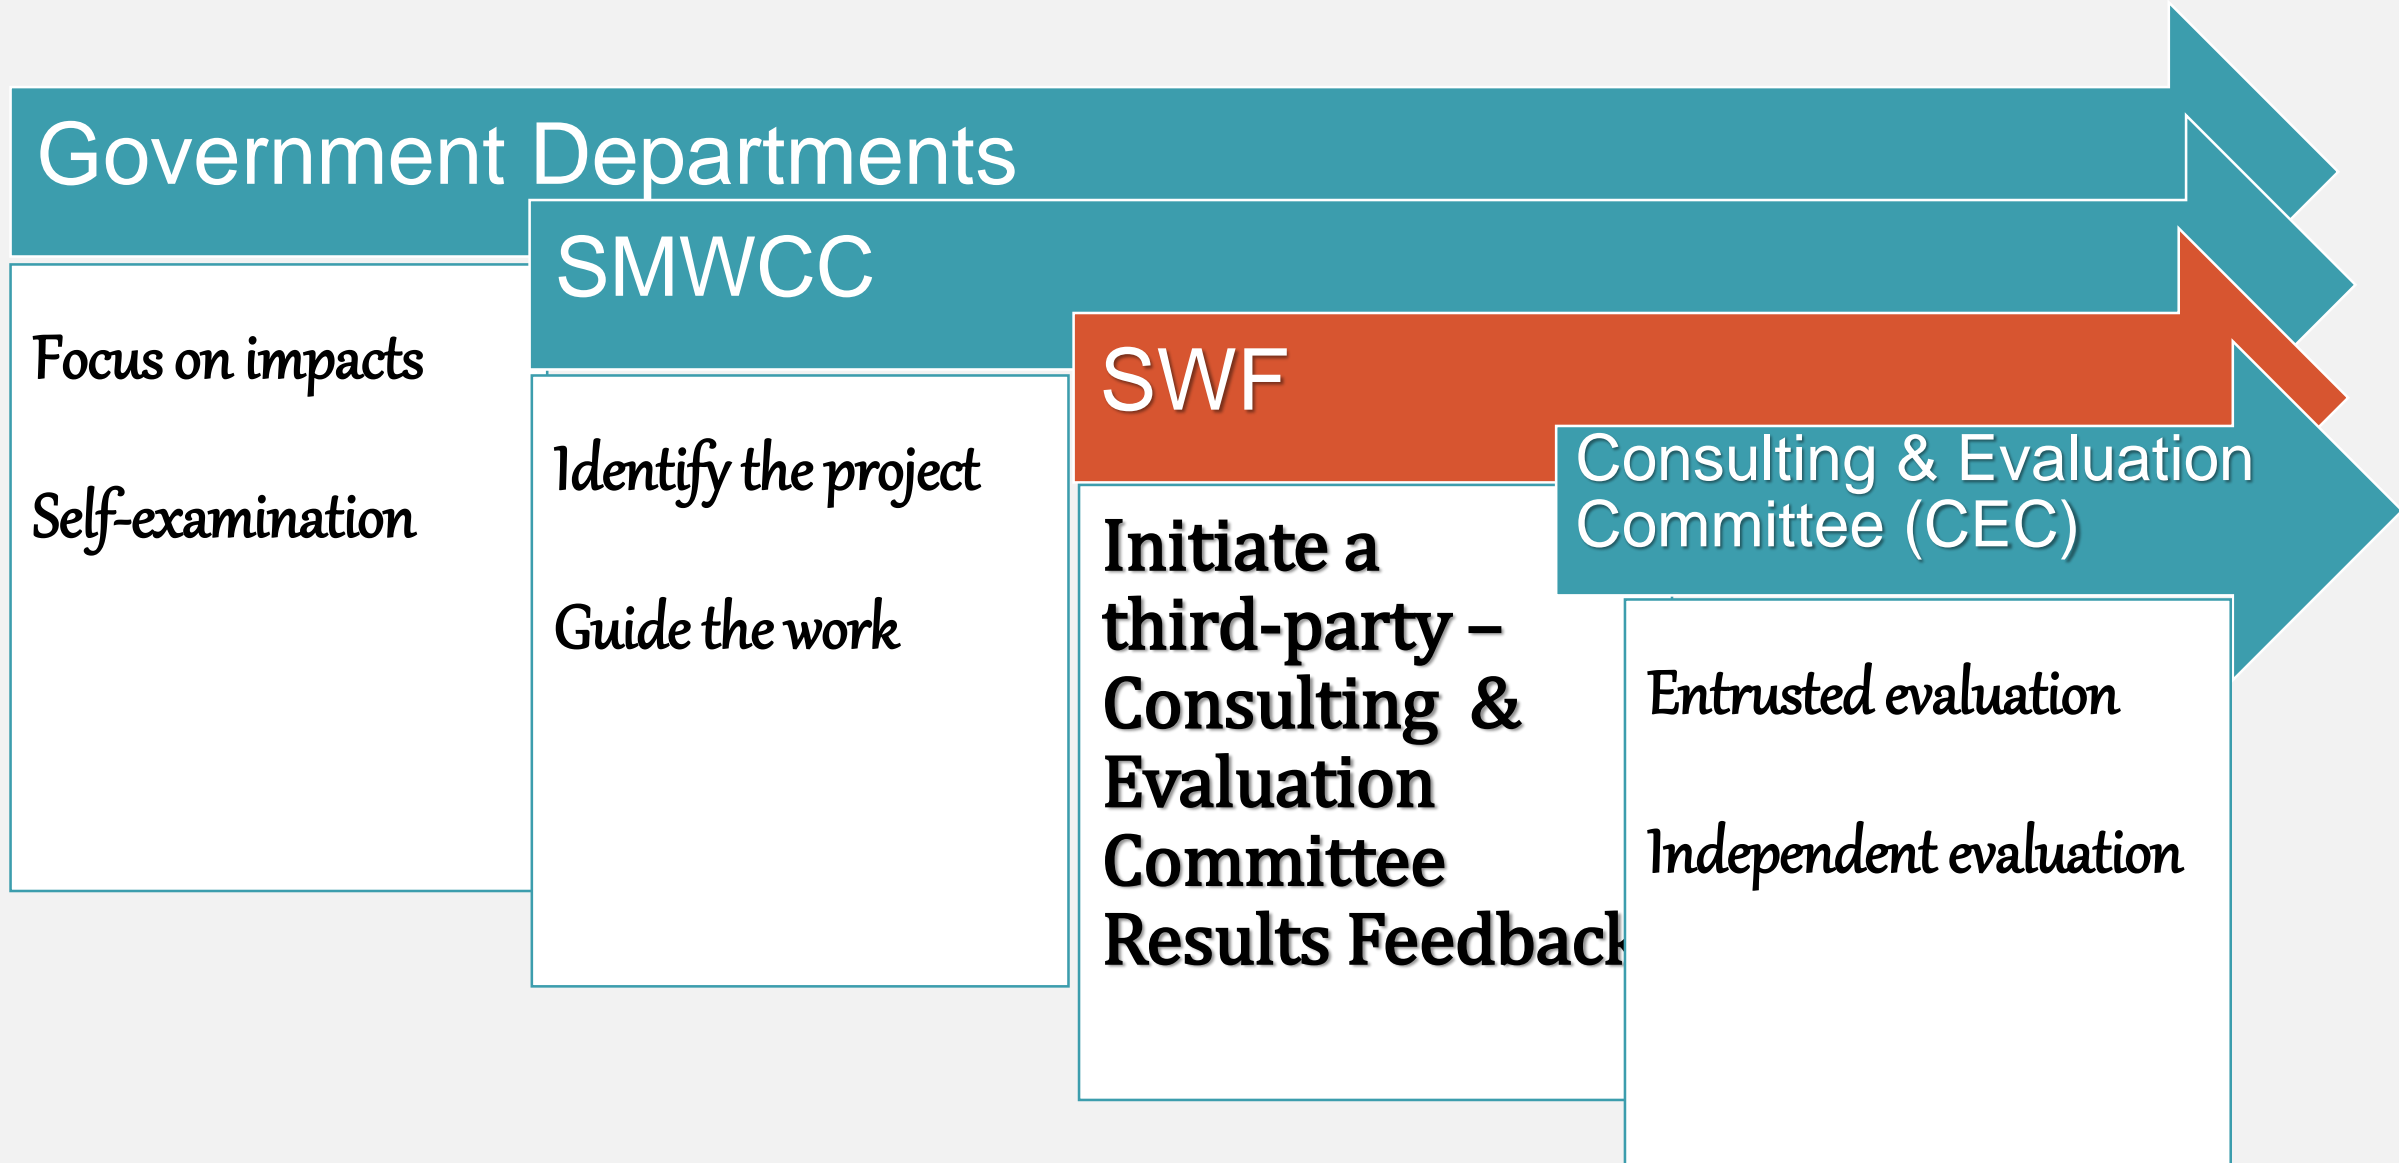

6. 探索研究性别预算。性别预算是落实性别意识主流化、确保资源公平分配的重要工具和手段。通过宣传培训和试点，推进政府部门对性别预算概念及其重要性的认知，在政府预算中纳入性别视角，评估政府收支对男女两性产生的不同影响，从而以更公平的方式分配资源，满足包括男女两性在内的不同社会群体

	Suggested local people’s congress integrate the new PDSPL into the “ <i>Regulations of Shanghai Municipality on the Administration of City Appearance and Environmental Sanitation</i> ”
2016.1.	Press conference on the program
2017.4	<b>Planning and Design Standards for Public Lavatories 2017</b> was published, with 7 elements considered <b>including</b> gender, hygiene, safety, environment protection, culture and technology

# Pilot project of the Program

## NO.1 Yuyuan Road Primary School, Changning District

➤ Project Amount: RMB 691,500 ( $\approx$  100,000 US\$)

➤ Project Time: July 2015

➤ Project Implementation:

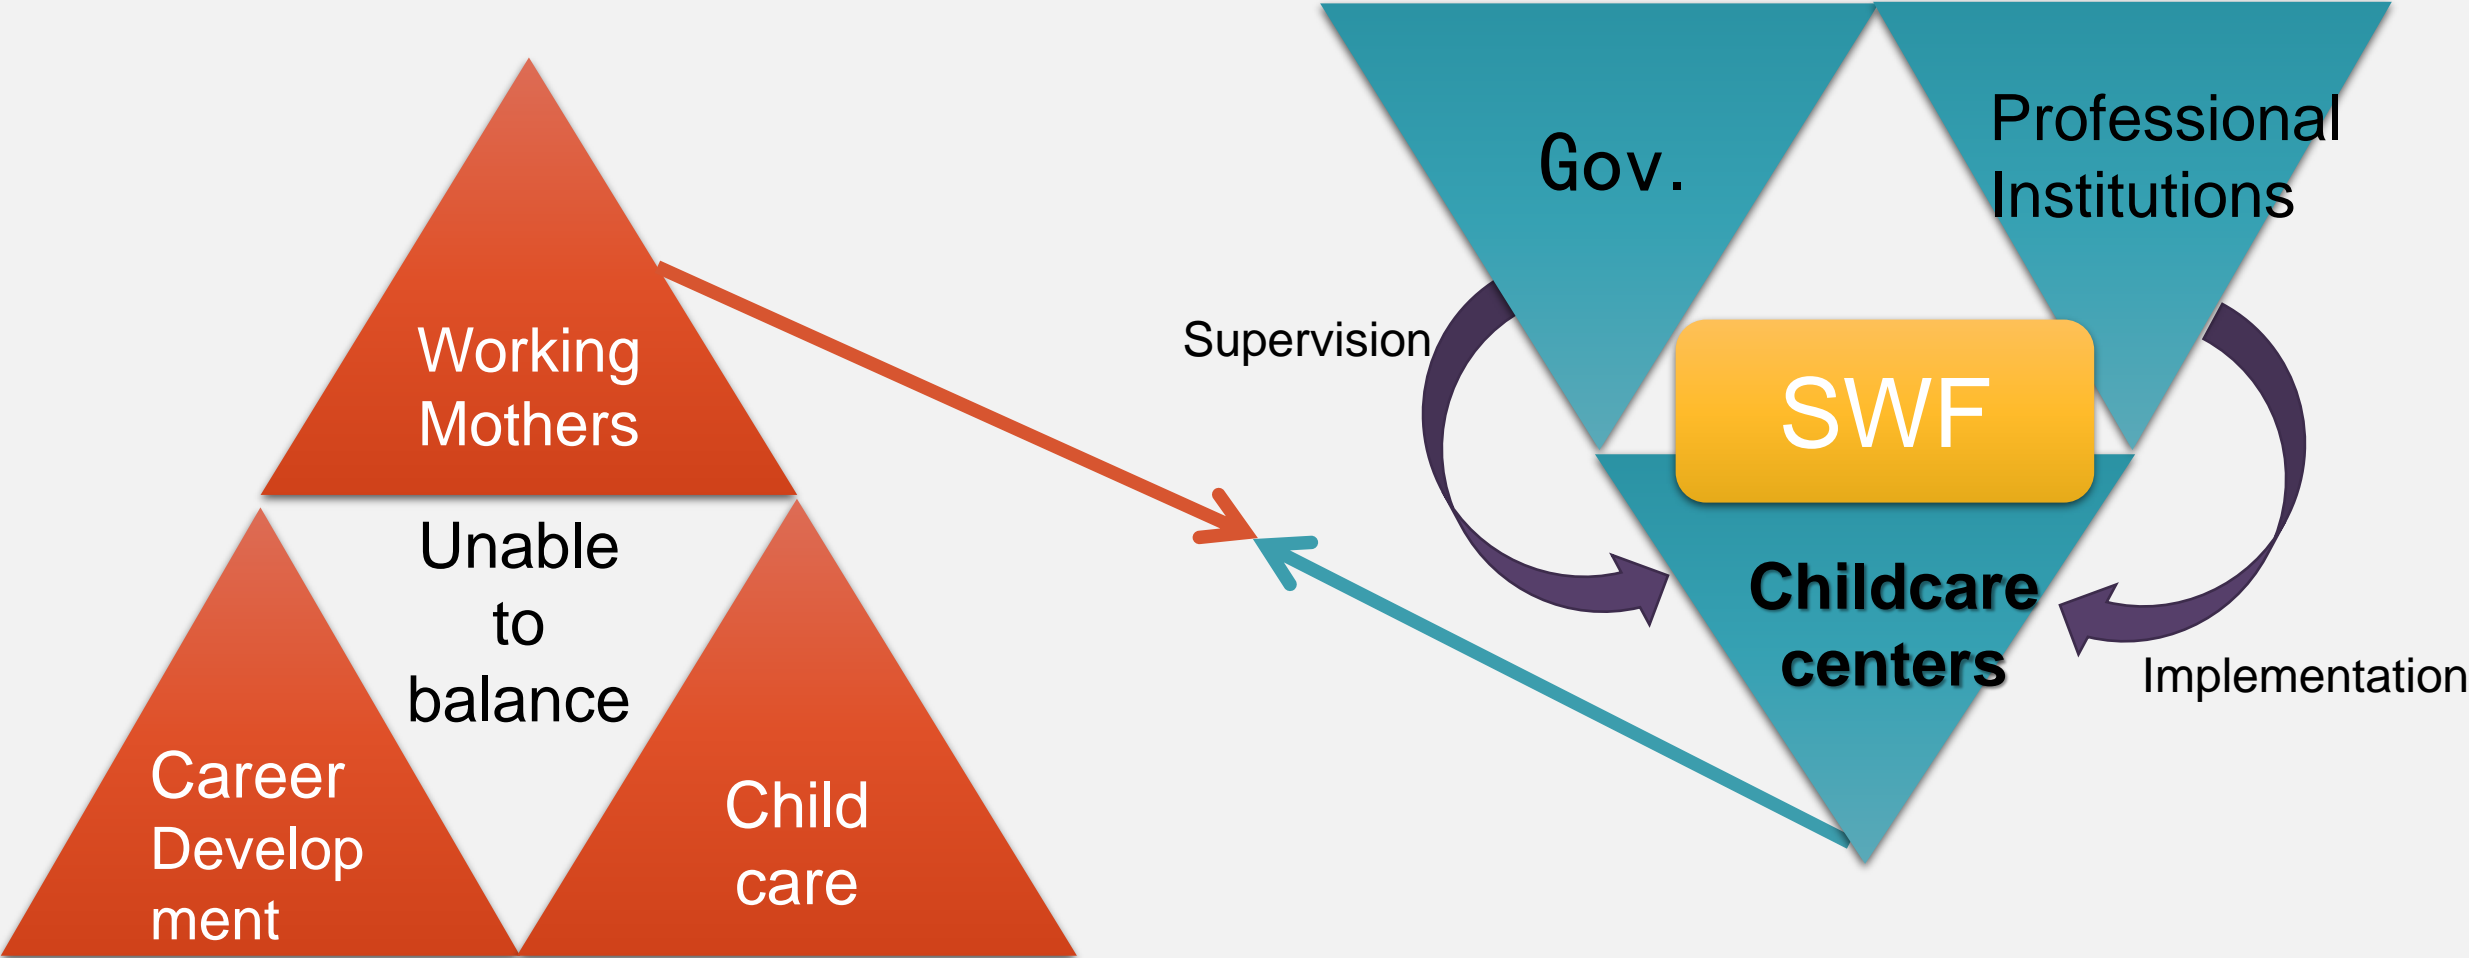

20 Women's toilet seats increased in the school.

The ration between men's and women's lavatories has been optimized from 1:2  1:3.1

➤ Project Prospects:

In 5 years, the reconstruction of the lavatories in school will be extended to the whole district.

# Case 2: Public Daycare Services for Children of 2-3 Years Old

# 2017 Shanghai Municipal Government Annual Projects to Improve Local People's Livelihood

Taskforce formed to respond to the needs of families with young children

Government agencies

SWF

Companies and Social Organizations

**20 Public Childcare Centers to be built in 2017**

# Prospects for GRB in Shanghai

1. To further raise the public awareness of GRB
2. The system of the gender-disaggregated Indicators in local statistics programs needs to be optimized to provide database for GRB
3. Gender-based analysis needs to be Institutionalized during the annual budgeting by local governments
