

Experiences of Implementing GRB in local level, Jhapa district

Indira Ojha
Chief Women Development Officer
Women and Children Office
Jhapa, Nepal

Contents

- * Localization GRB
- * Institutional mechanisms
- * Major Programs
- * Key achievements
- * Challenges

Localization of GRB

- * Implemented GRB Localization strategy 2015 with the objectives of
 - Localizing GRB in all the projects/program up-to lower levels
 - Establish linkage of program and budget with gender equality
 - Increase meaningful participation of women in all ranges of program
 - Ending GBV through allocating budget for program
 - Capacitate the community to evaluate projects/programs
- * GRB committee at local bodies- District, Municipality and Village Development Committee

Institutional mechanisms

- * Women and children office- gender focal agency at local level
- * Gender focal persons in each line agencies (planning section)
- * Gender Equality and Social Inclusion Committee
- * Gender mainstreaming Coordination committee
- * GBV coordination committee
- * GBV prevention fund committee

Institutional mechanisms

- * District Human Trafficking and transportation control Committee
- * District Child Welfare Board
- * Single Women security fund committee
- * Social security committee for single women

Major Programs

- * Gender analysis of line agencies
- * Gender audit DDC implemented programs by DDC
- * Gender mainstreaming training for Gender Focal Person and VDC secretaries during planning phase
- * Women Development Program
- * Integrated Development Program for Violence against Women and children

Major Programs.....contd.

- * Program for development of adolescent girls
- * Program for Prevention and control of human trafficking specially for women and children
- * 10% targeted budget and program for Gender equality and women empowerment(DDC and VDC budget)
- * Budget allocation for GBV control through women cooperatives
- * Capacity building trainings for social and economic empowerment of rural women

Key achievements

- * Elected 15 women representatives in key post(Mayor/deputy Mayor of Municipality, chair /vice chair of rural Municipality)
- * 29 women cooperatives working for women empowerment, GBV control and GRB at VDC level
- * Participation of women in Ward Citizen Forum during planning process
- * Women's network including the representatives of all political parties actively working for women empowerment and gender budget at VDC level

Challenges

- * Lack of gender sensitiveness
- * Deviation from budget allocation and expenditure e.g. utilisation of targeted budget in road construction.
- * Weak monitoring system
- * Lack of coordination among line agencies
- * Lack of internalization
- * Lack of concrete format, tools and guidelines
- * Lack of capacity of GFP
