GENDER EQUALITY AND WOMEN EMPOWERMENT

GEWE prioritized to implement in route A

- Target 4.5.1: Gender equality in education and training
- Goal 5: To achieve gender equality, women empowerment and creation of opportunities for women and girls
- Goal 16: To promoting social equality for sustainable development, create ability of accessing to justice for all people; develop effective, accountable and participatory institutions at all levels

VIETNAM'S VOLUNTARY NATIONAL REVIEW OF IMPLEMENTATION OF SDGs

- Gradually making gender equality a cross-cutting issue in all political, economic, cultural, and social spheres with remarkable results such as: women's representation in the National Assembly in the 2016-2021 term reaching 26.7 per-cent; and, the year 2017 recorded 12 out of 30 government ministries and agencies with female leaders holding minister and deputy-minister positions; There is an increasing trend in female-owned enterprises, at present 31.6 per-cent of enterprises are female owned.

VIETNAM'S VOLUNTARY NATIONAL REVIEW OF IMPLEMENTATION OF SDGs

- A reduction in inequality and an improvement in the promotion of access to justice and information.
- The principle of gender equality is mentioned in the Constitution and important laws such as the Law on Gender Equality, Law on Election of Deputies to the National Assembly and People's Councils, and Law on Support for SMEs.

VIETNAM'S VOLUNTARY NATIONAL REVIEW OF IMPLEMENTATION OF SDGs

However:

- **SDG 4:** The gender gap is getting wider in access to vocational training for some ethnic minority groups. → appropriate policies and measures to fill the gender gap in training.
- **SDG 5:** Women still represent a lower percentage of leadership roles than targeted in the women still represent a lower percentage of leadership roles than targeted in the National Strategy on Gender Equality in 2011-2020.

VIETNAM'S VOLUNTARY NATIONAL REVIEW OF IMPLEMENTATION OF SDGs

However:

- Early marriage and all forms of gender-based violence in rural, mountainous and remote areas heavily populated by ethnic minority people. Women (72.9%) participating in the workforce remains lower than men (83.0%) and a gender gap remains in terms of salary. Women must do the vast majority of unpaid housework.
