

# **Action Plan for Developing Countries 2011 - 2015**

# Building on achievements

## Action Plan for Developing Countries 2011-2015

**Key objective for developing countries:** Capacity and participation of developing countries in international standardization is significantly enhanced

**Output 1:** Increased participation in technical work

**Output 2:** Capacity built in standardization and related matters for ISO members and their stakeholders

**Output 3:** Awareness improved on the role and benefits of International Standards and their use. International Standards are therefore increasingly used

**Output 4:** ISO members in developing countries strengthened at institutional level

**Output 5:** Regional cooperation strengthened

**Output 6:** Introduction of the subject of standardization as part of educational curricula initiated
