

TECHNOLOGY & SUSTAINABILITY

SIDE EVENT AT THE ASIA-PACIFIC FORUM ON SUSTAINABLE DEVELOPMENT

सत्यमेव जयते

Organized by the
Government of
India and ESCAP

Technology and broadband connectivity can contribute to the achievement and implementation process of the Sustainable Development Goals (SDGs). This side event will introduce participants to Digital India, the upcoming Global Conference on CyberSpace (GCCS-2017) in May in India, as well as other regional initiatives such as the Asia-Pacific Information Superhighway (AP-IS) as a means of implementation for all SDGs.

🕒 30 MARCH 2017, 12:15 – 13:30

📍 MEETING ROOM A, UNCC BANGKOK

LUNCH WILL BE PROVIDED
