

POLICY DIALOGUE

Accelerating Progress on Clean Cooking, Fuels and Technologies

The Energy Division of UNESCAP is holding a virtual Policy Dialogue to discuss policies to **accelerate universal access to clean cooking fuels and technologies** in the Asia-Pacific region and pathways to achieve SDG 7.1 by 2030.

This session is for:

- Energy policy makers
- Local government and municipal policy makers
- Gender-, children- and poverty-related policy makers
- Civil society, research and academia
- Grassroots and community-based organizations
- Other stakeholders involved in SDG 7.1 delivery

17 December 2020

14:00 to 16:30

(Bangkok GMT+7)
