Rapid assessment surveys on the impact of COVID-19

8 June 2020, 12:00-13:00 Bangkok time

This third session of the Stats Café, organized by ESCAP, ILO and UNICEF, is aimed at exchanging experience and lessons from conducting rapid assessment surveys, of both households and businesses, on the impact of Covid-19.

The Stats Café session will cover:
• Rapid assessment surveys of businesses
• Rapid assessment surveys of households
• Capturing impacts on employment and unpaid work
• The Trust Fund for Statistical Capacity Building rapid support to help countries respond
