

## Welcome to the National Minimum Development Indicator Database (v2.0)

...with some exciting new features. As well as providing the whole database in **French**, users can also gain access to a large range of reports and publications by clicking on **Reference Library** above. It is also now much easier to access and download reports to Excel by clicking on **Custom Reports**... Contact us at [nmdi@spc.int](mailto:nmdi@spc.int) for further information.

To access **regional comparisons**, click on the links below. You can access **indicator metadata** via the link.

### Population & Development

- Population
- Poverty
