Please indicate the agenda item on which you wish to speak:

Agenda Item No: 3 (a)

If you have a prepared statement, the secretariat would find it most useful if you could kindly provide us with a copy, in electronic format or hardcopy (typed or handwritten), for use by the secretariat for interpretation and reporting.

Please indicate if you wish to have the statement returned to you:

Yes

No

**Note:** Please complete this form and hand it to one of the Conference Assistants on duty in the Conference Room or to the Conference Officer at the desk in the Conference Room. If you would like to submit your request electronically please send the completed form and your statement by e-mail to [orhun@un.org](mailto:orhun@un.org)

The importance of quality Economic statistics for monitoring SDGs can better be illustrated through continuous interactions with stakeholders and decision makers. During these interactions clear details are to be provided on the indicators like the coverage of the survey, design of the survey etc. if the indicator is based on the survey. These details would help the decision makers while using the data in policy making.
