

Goal 10.a Implement the principle of special and differential treatment for developing countries, in particular least developed countries, in accordance with World Trade Organization agreements

Indicator 10.a.1 Proportion of tariff lines applied to imports from least developed countries/developing countries with zero-tariff

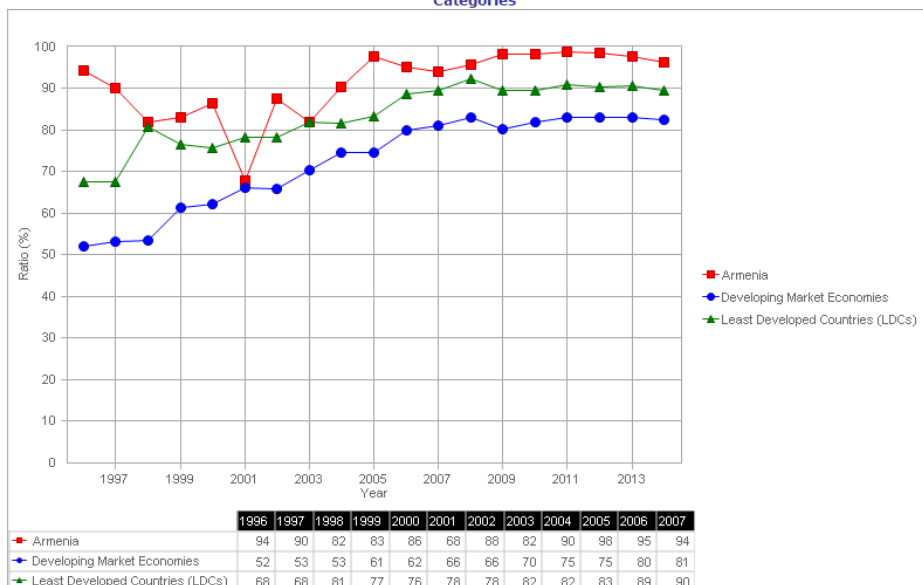

Proportion of total **Developed Market Economies** imports (by value) from Developing and Least Developed Countries, as compared with **Afghanistan**, admitted free of duty for **All Product Categories**

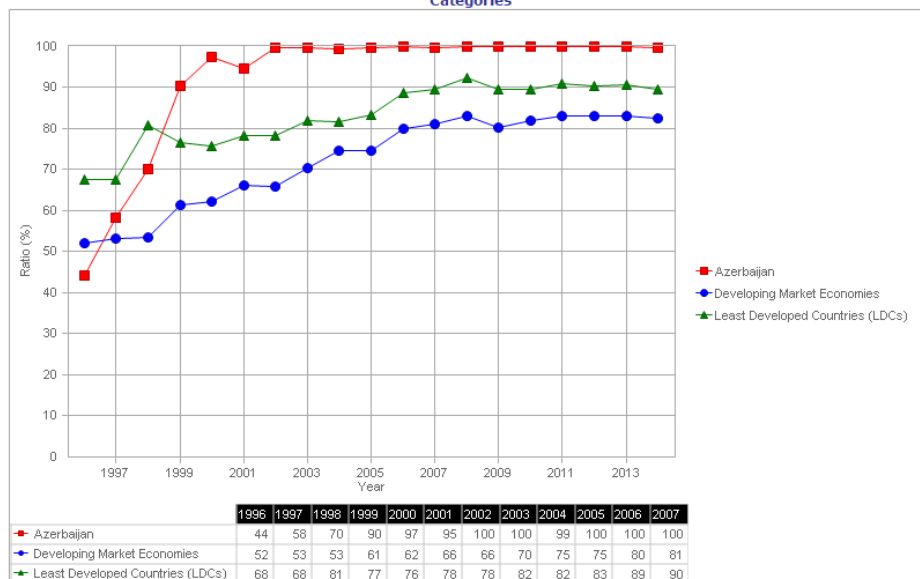

Proportion of total **Developed Market Economies** imports (by value) from Developing and Least Developed Countries, as compared with **American Samoa**, admitted free of duty for **All Product Categories**

Proportion of total **Developed Market Economies** imports (by value) from Developing and Least Developed Countries, as compared with **Armenia**, admitted free of duty for **All Product Categories**

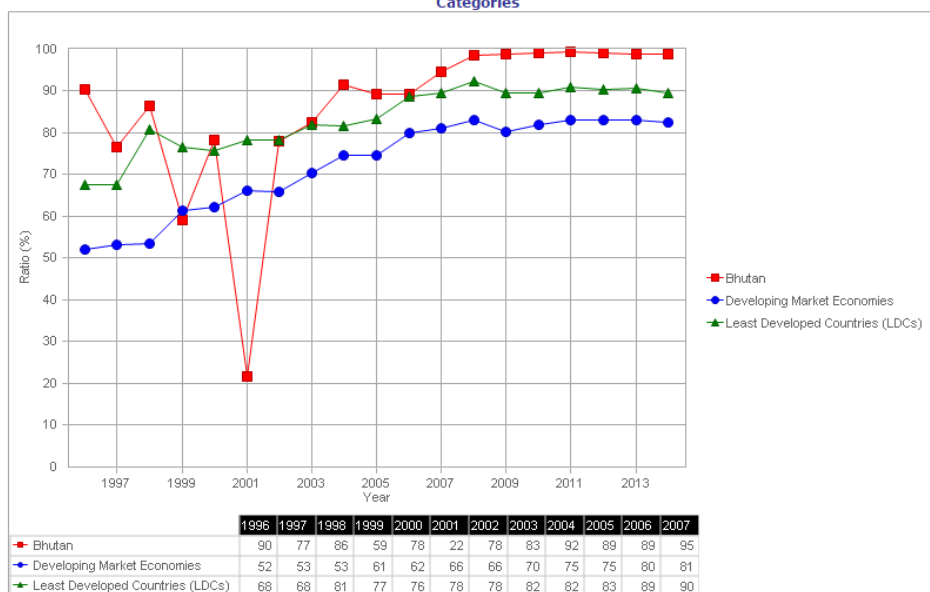

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Azerbaijan**, admitted free of duty for **All Product Categories**

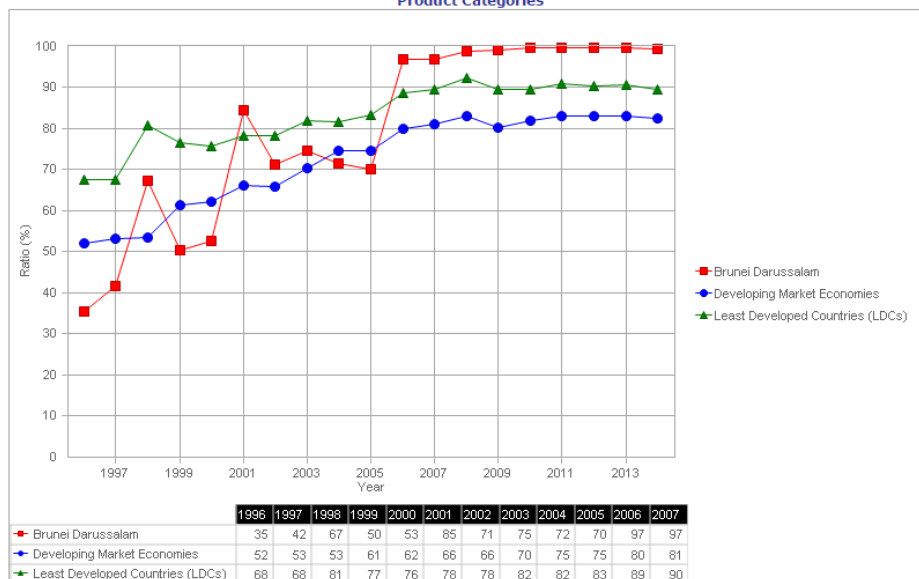

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Bangladesh**, admitted free of duty for **All Product Categories**

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Bhutan**, admitted free of duty for **All Product Categories**

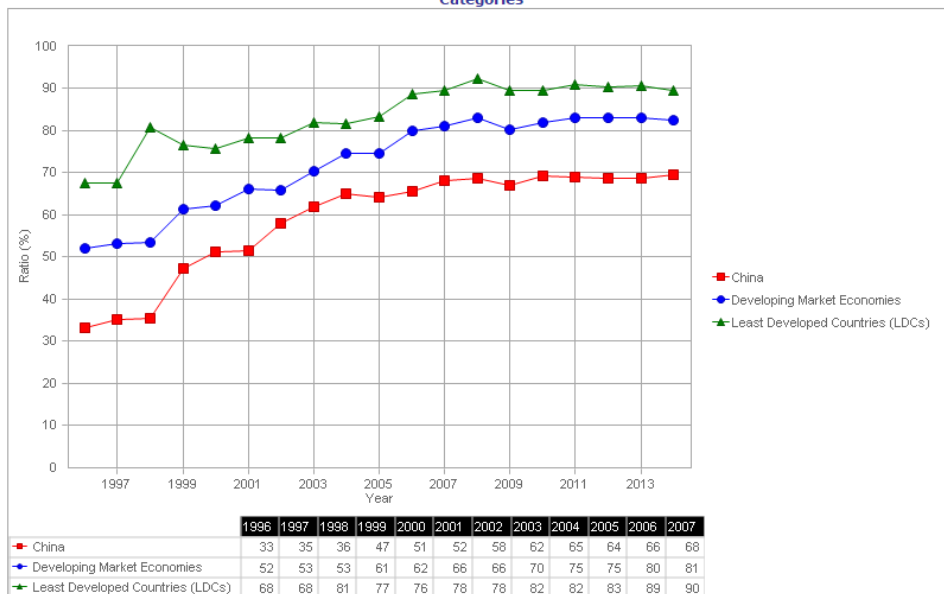

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Brunei Darussalam, admitted free of duty for All Product Categories

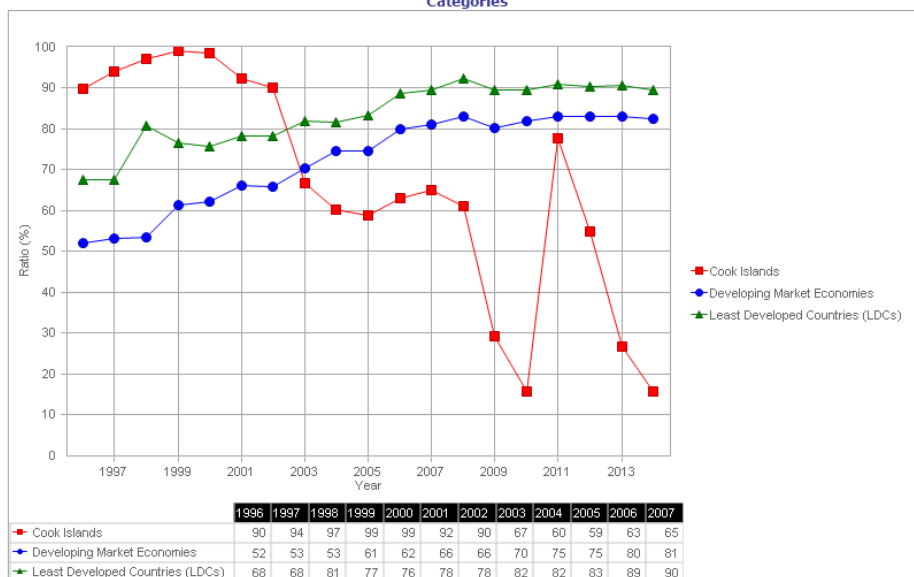

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Cambodia, admitted free of duty for All Product Categories

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with China, admitted free of duty for All Product Categories

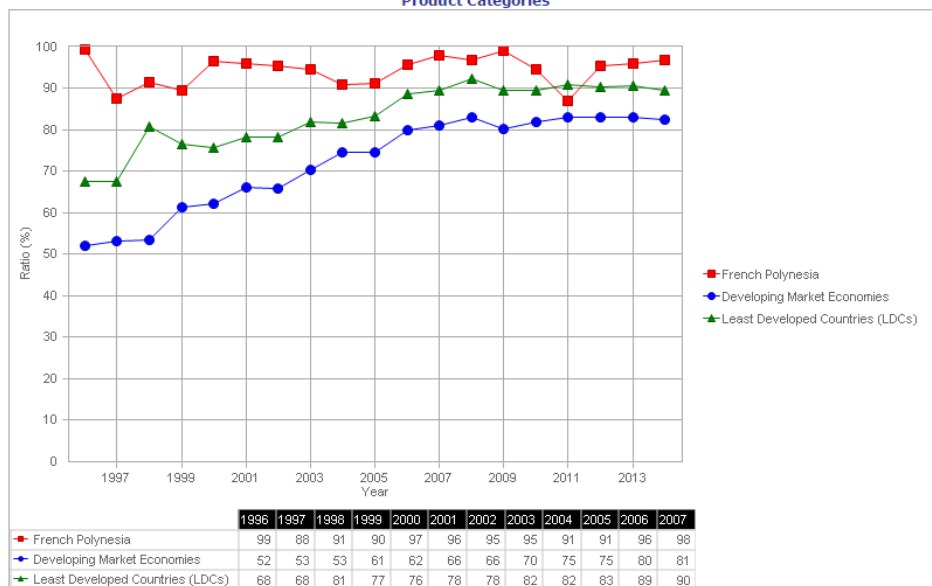

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Cook Islands, admitted free of duty for All Product Categories

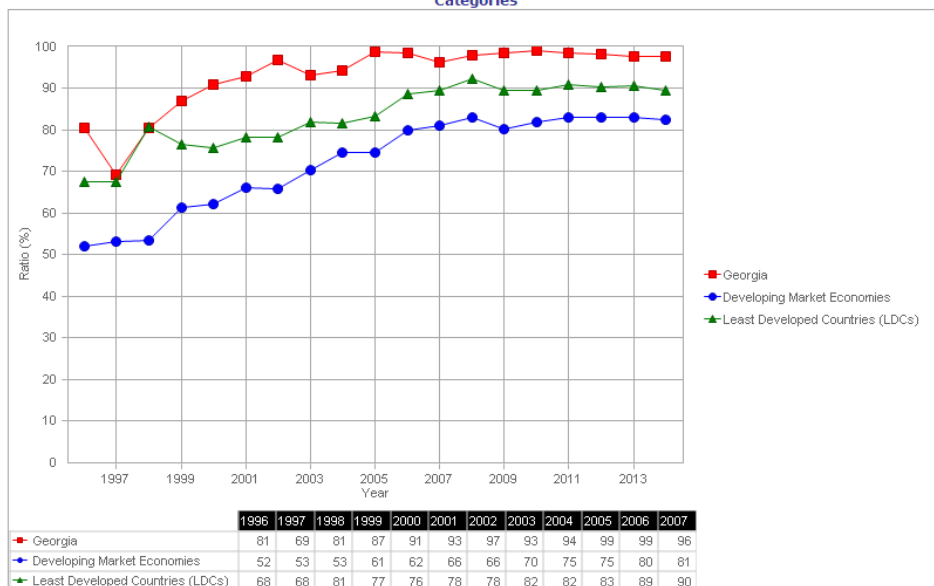

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Fiji, admitted free of duty for All Product Categories

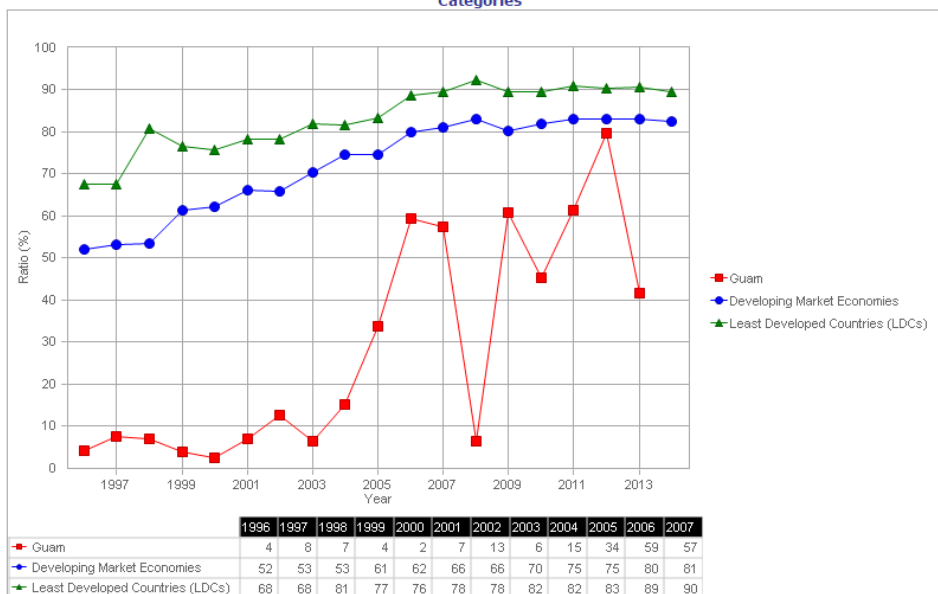

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with French Polynesia, admitted free of duty for All Product Categories

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Georgia, admitted free of duty for All Product Categories

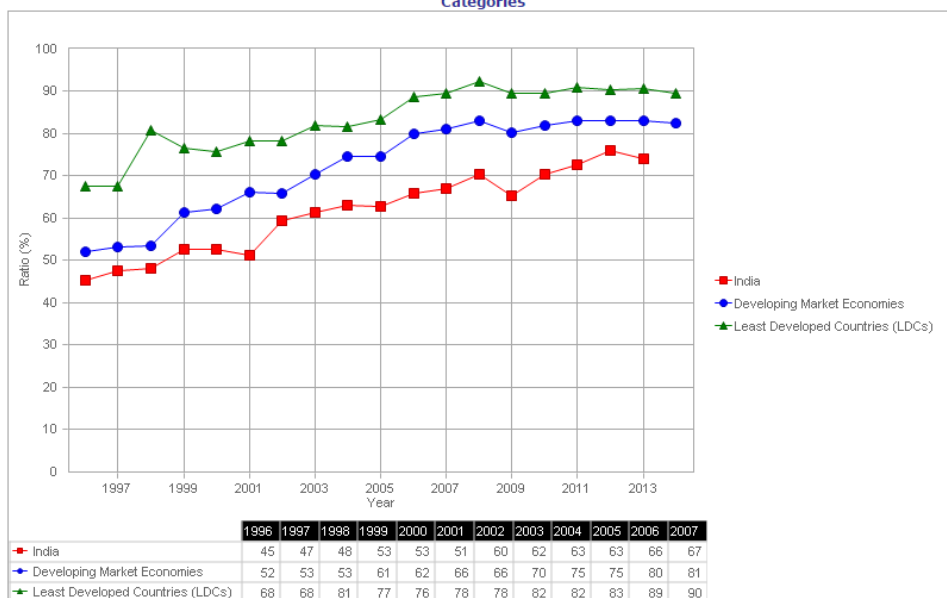

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Guam, admitted free of duty for All Product Categories

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Hong Kong (SARC), admitted free of duty for All Product Categories

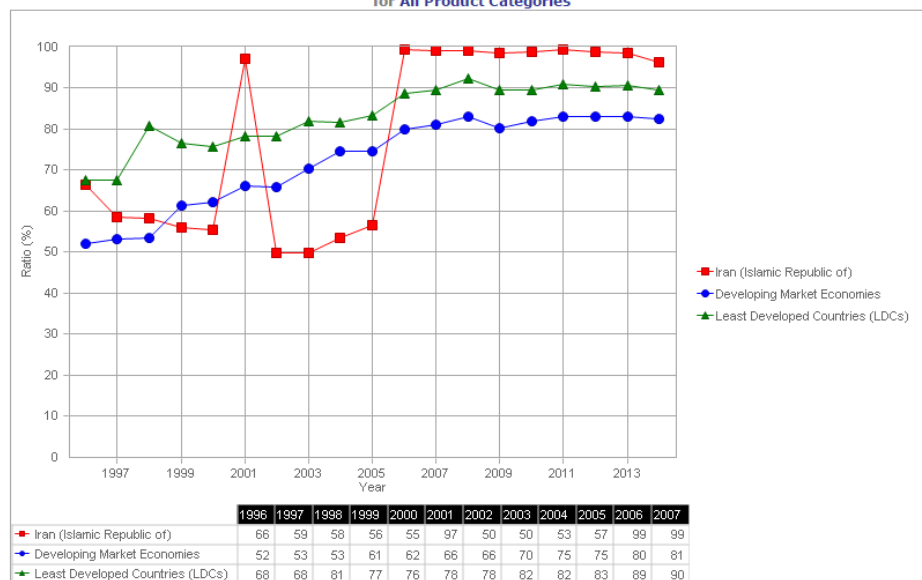

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with India, admitted free of duty for All Product Categories

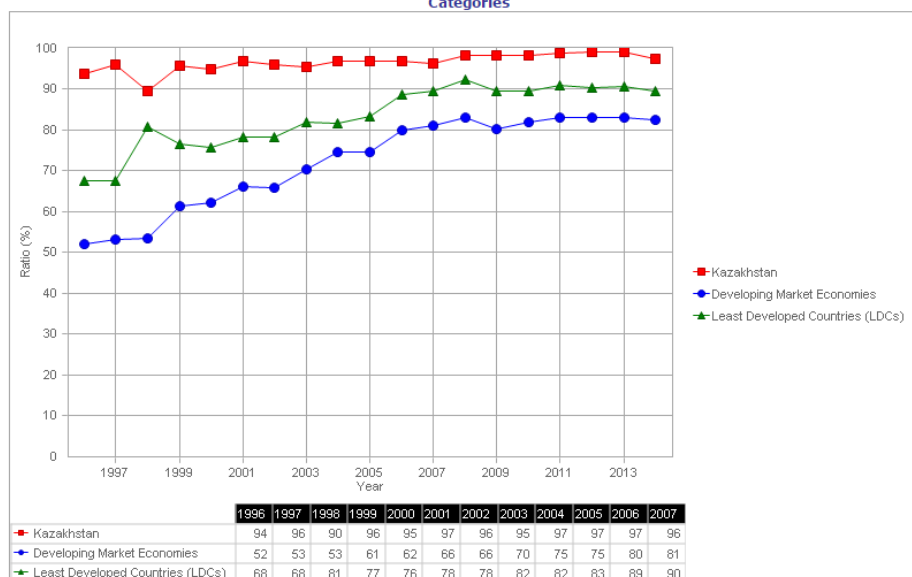

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Indonesia, admitted free of duty for All Product Categories

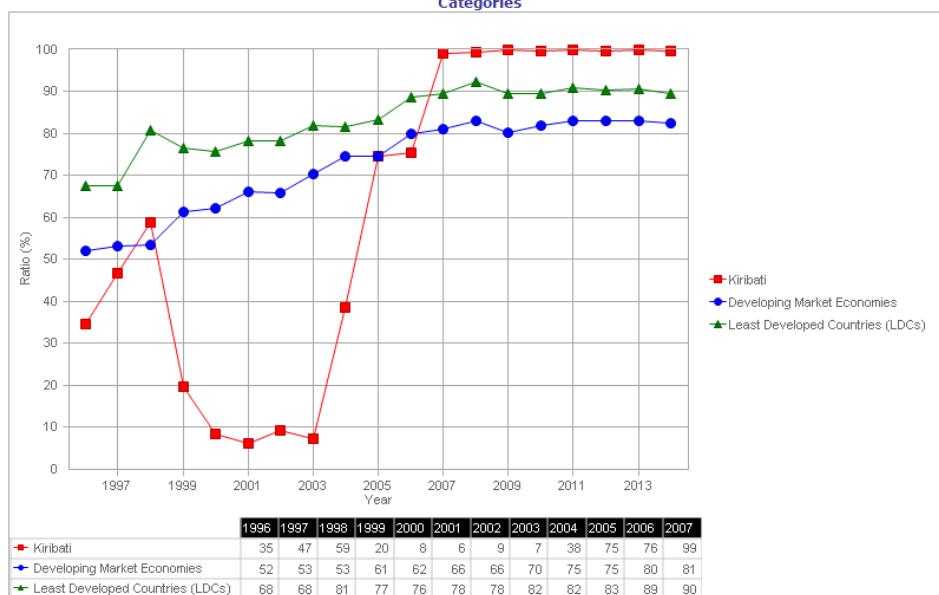

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Iran (Islamic Republic of), admitted free of duty for All Product Categories

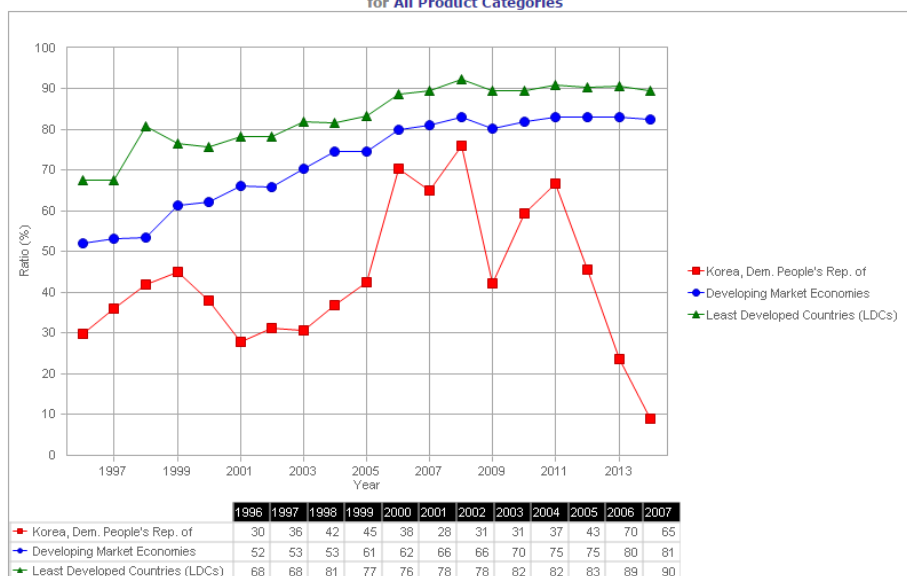

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Kazakhstan, admitted free of duty for All Product Categories

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Kiribati, admitted free of duty for All Product Categories

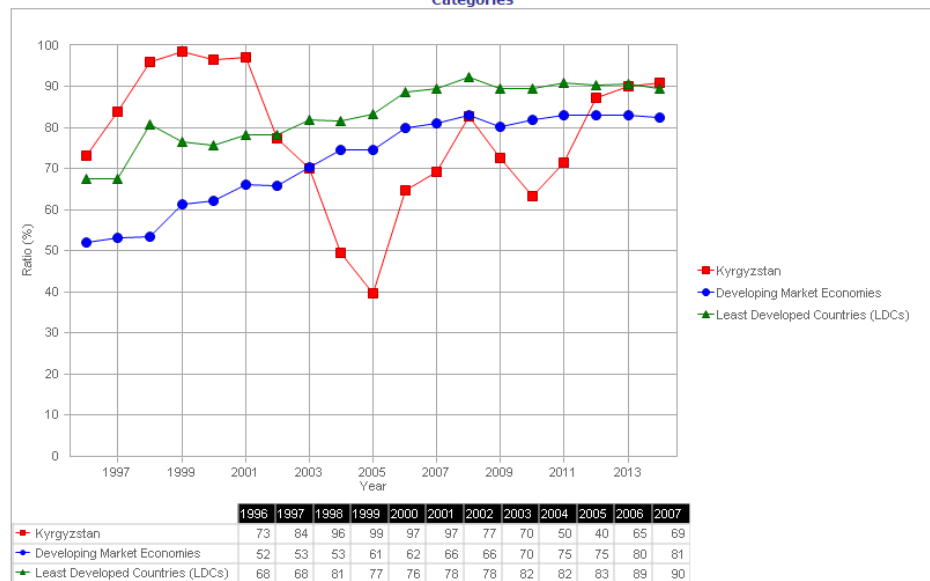

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Korea, Dem. People's Rep. of, admitted free of duty for All Product Categories

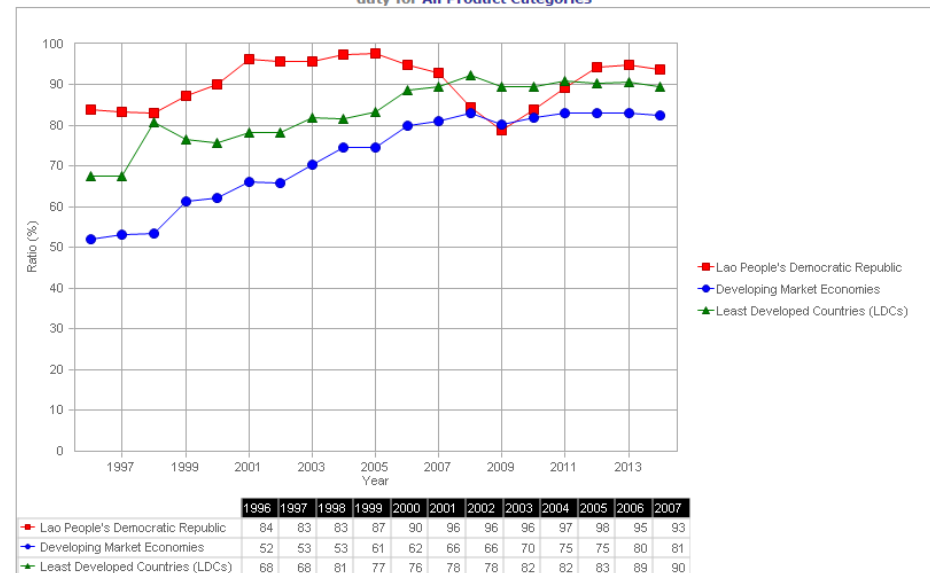

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Korea, Republic of, admitted free of duty for All Product Categories

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Kyrgyzstan, admitted free of duty for All Product Categories

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Lao People's Democratic Republic, admitted free of duty for All Product Categories

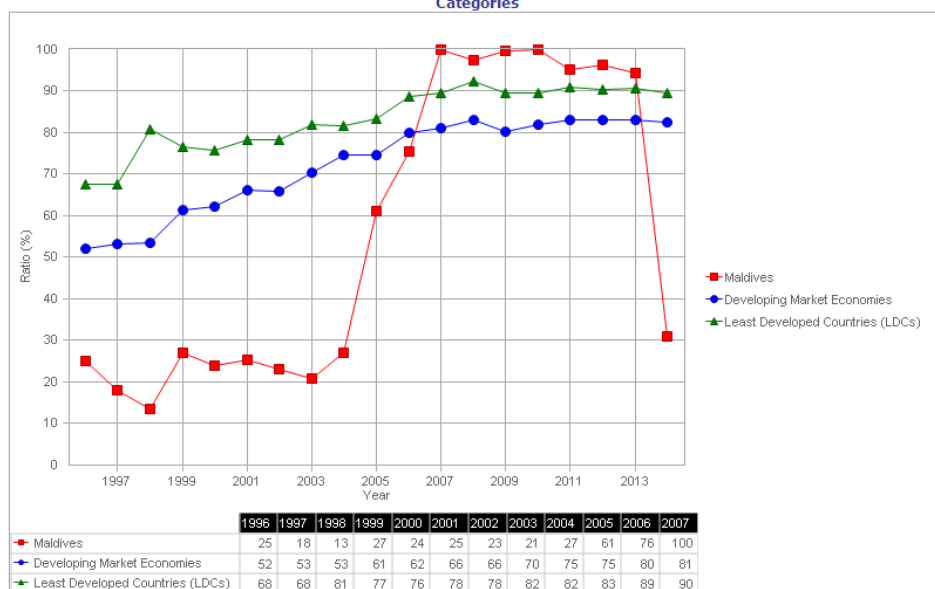

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Macau**, admitted free of duty for **All Product Categories**

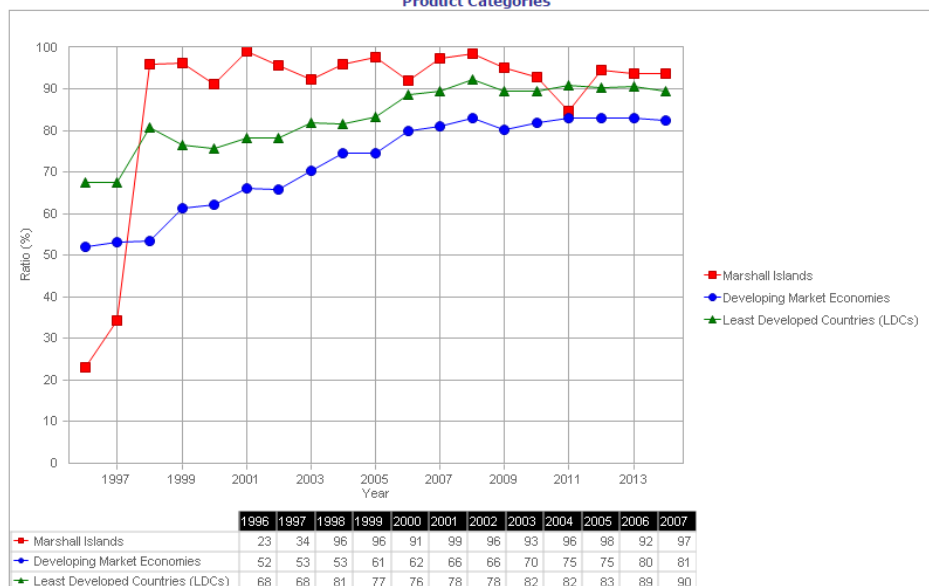

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Malaysia**, admitted free of duty for **All Product Categories**

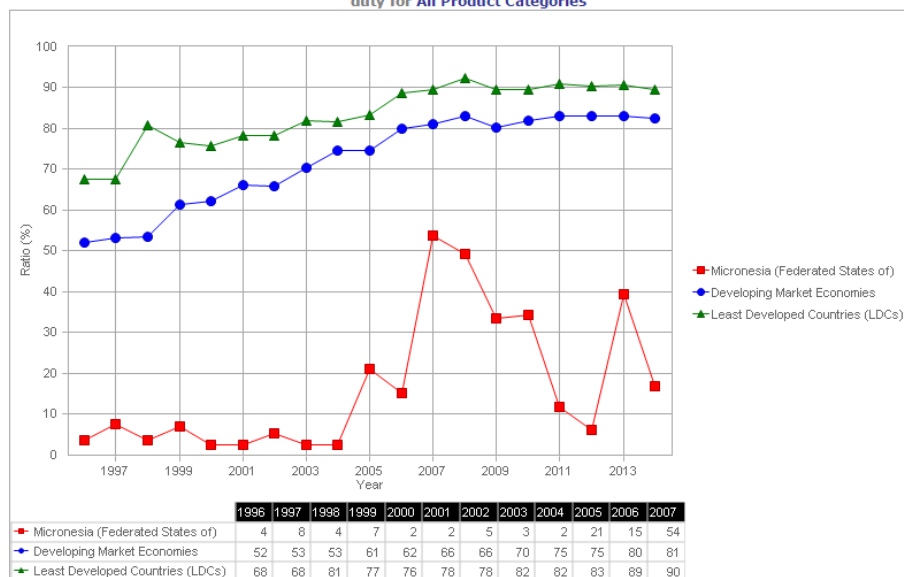

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Maldives**, admitted free of duty for **All Product Categories**

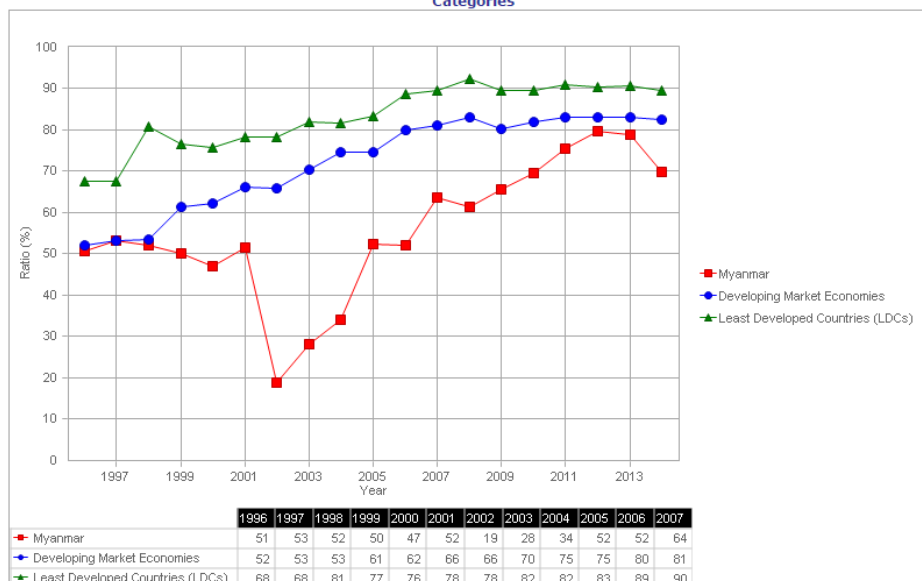

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Marshall Islands, admitted free of duty for All Product Categories

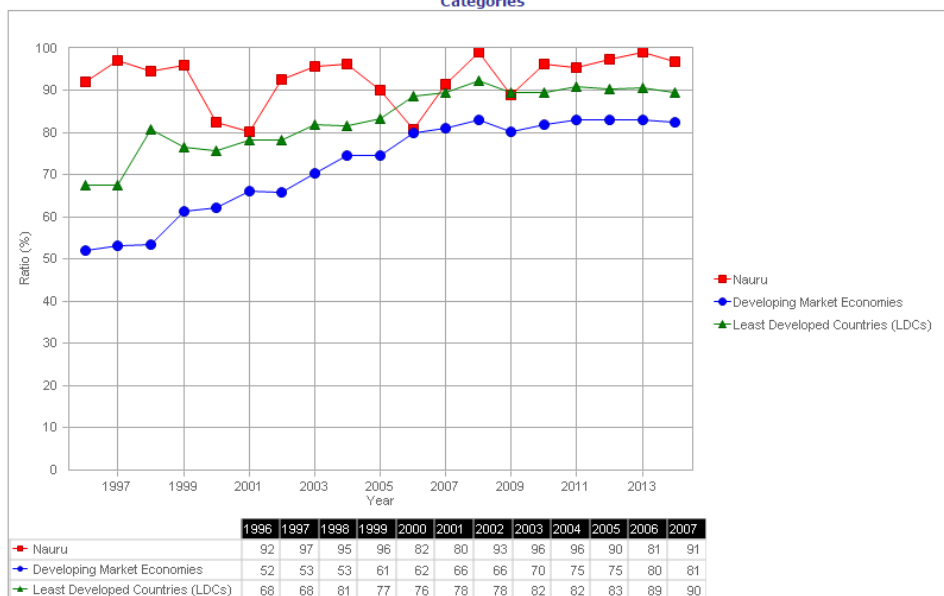

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Micronesia (Federated States of), admitted free of duty for All Product Categories

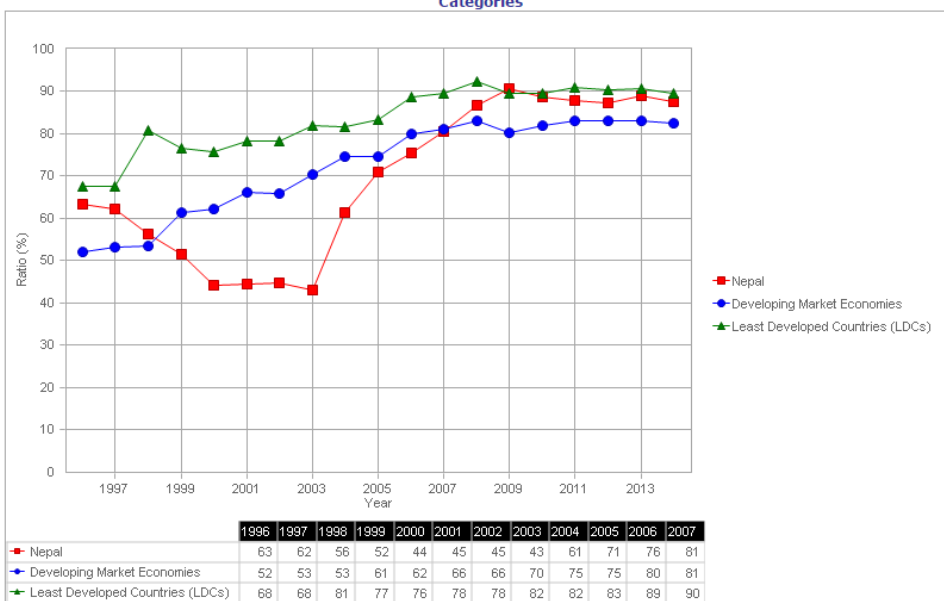

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Myanmar, admitted free of duty for All Product Categories

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Nauru**, admitted free of duty for **All Product Categories**

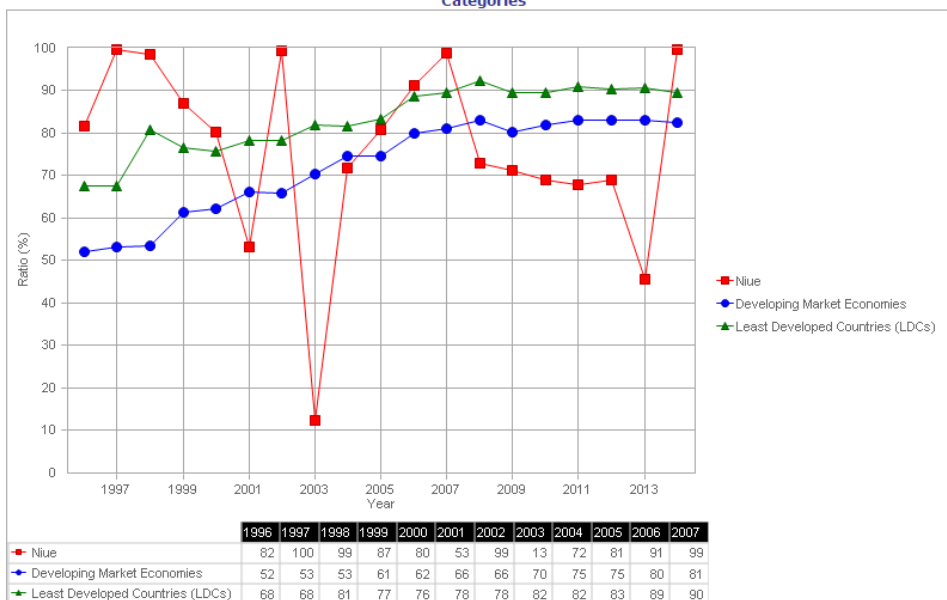

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Nepal**, admitted free of duty for **All Product Categories**

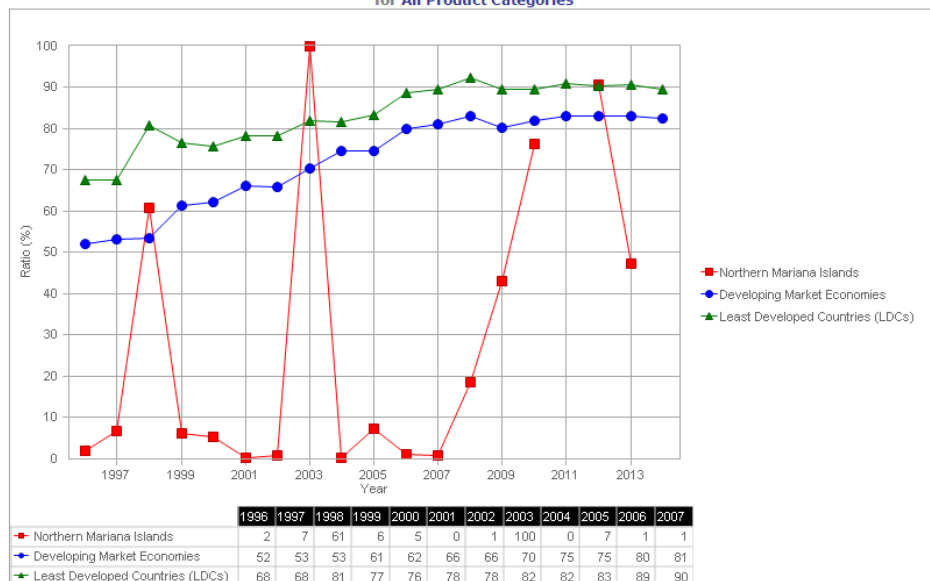

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **New Caledonia**, admitted free of duty for **All Product Categories**

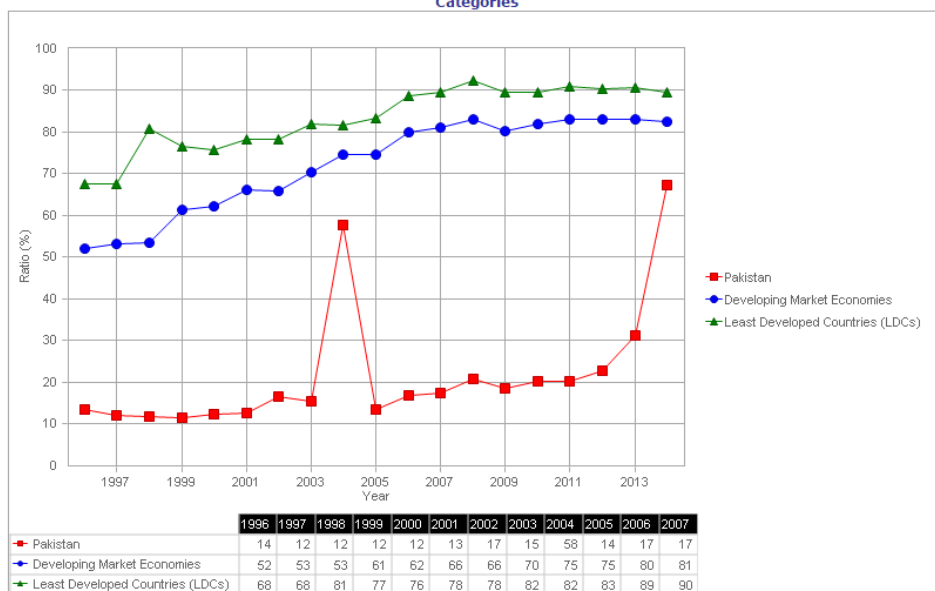

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Niue**, admitted free of duty for All Product Categories

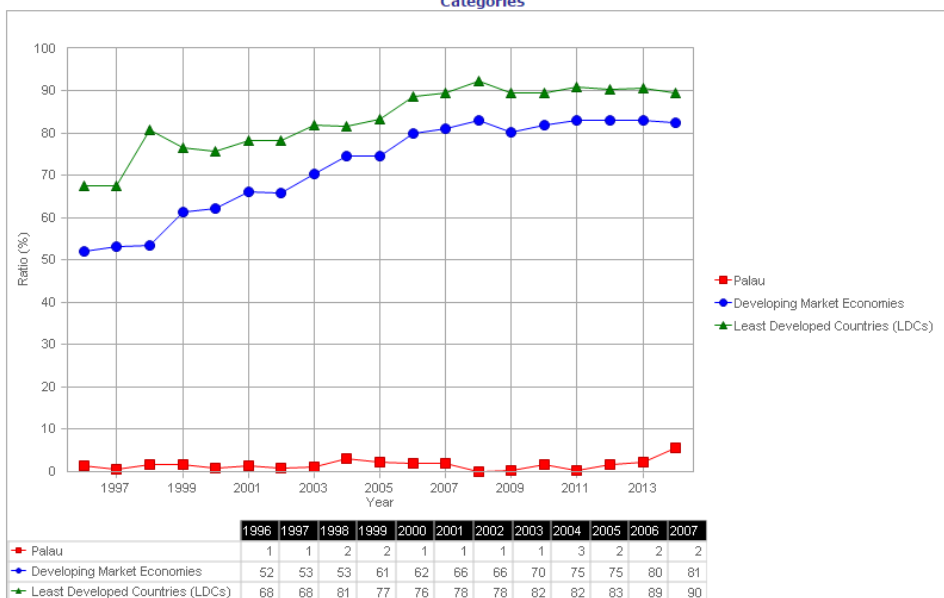

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Northern Mariana Islands**, admitted free of duty for All Product Categories

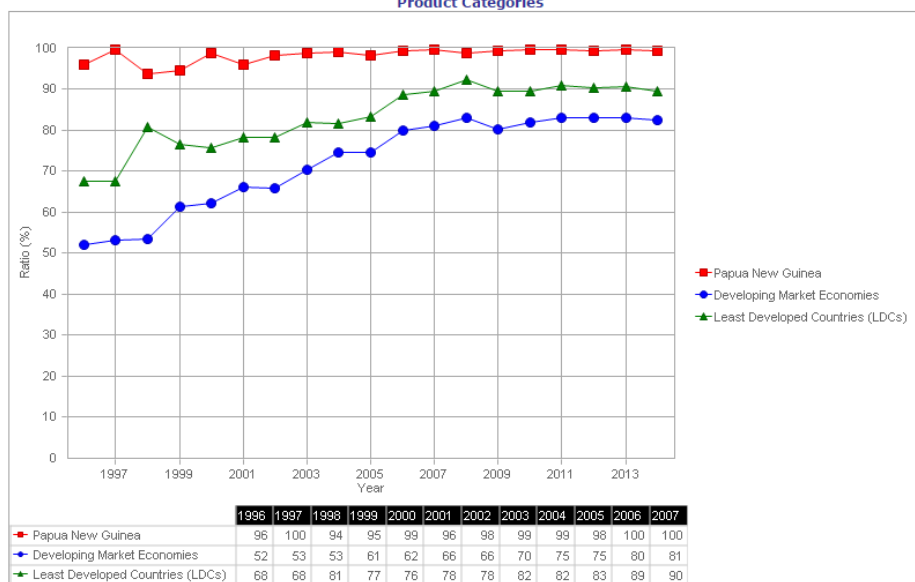

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Pakistan**, admitted free of duty for All Product Categories

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Palau, admitted free of duty for All Product Categories

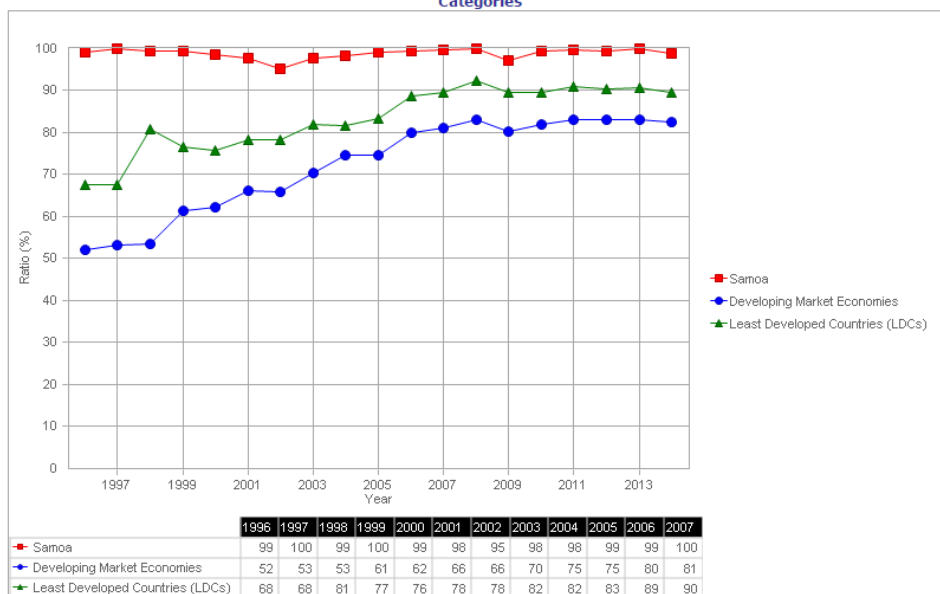

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Papua New Guinea, admitted free of duty for All Product Categories

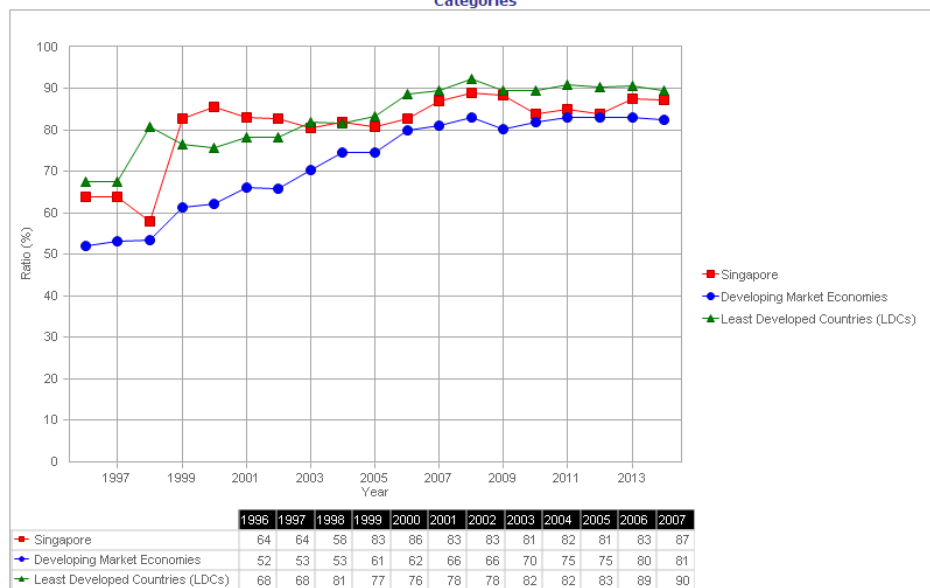

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with Philippines, admitted free of duty for All Product Categories

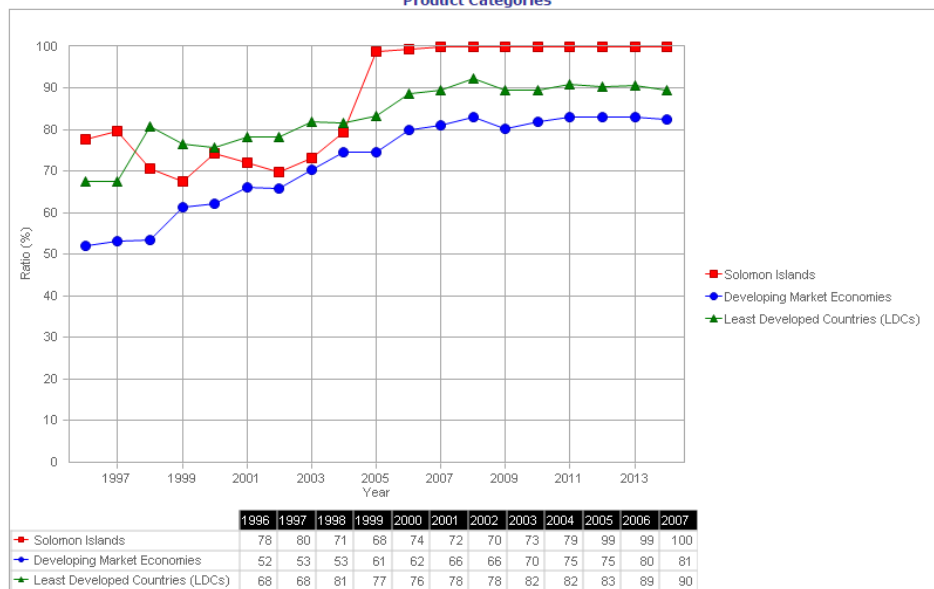

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Samoa**, admitted free of duty for **All Product Categories**

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Singapore**, admitted free of duty for **All Product Categories**

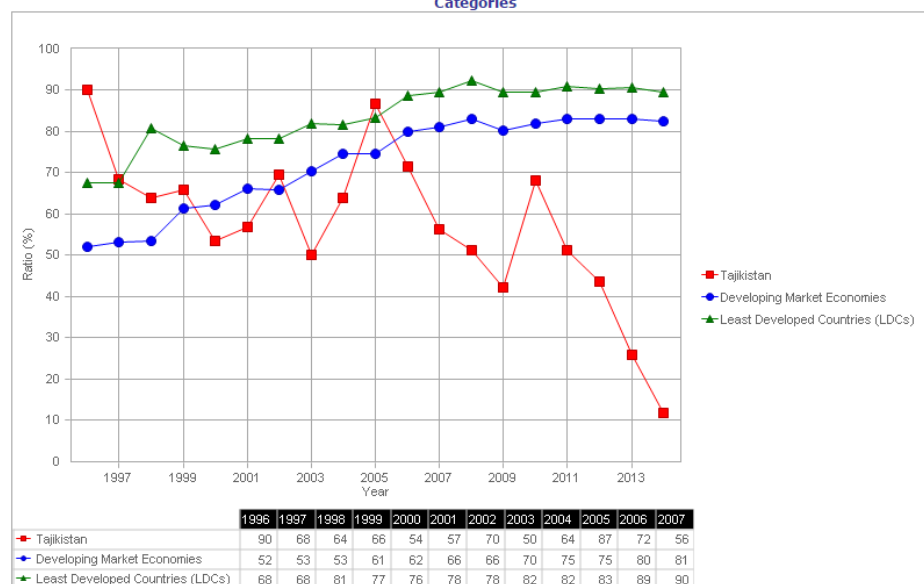

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Solomon Islands**, admitted free of duty for **All Product Categories**

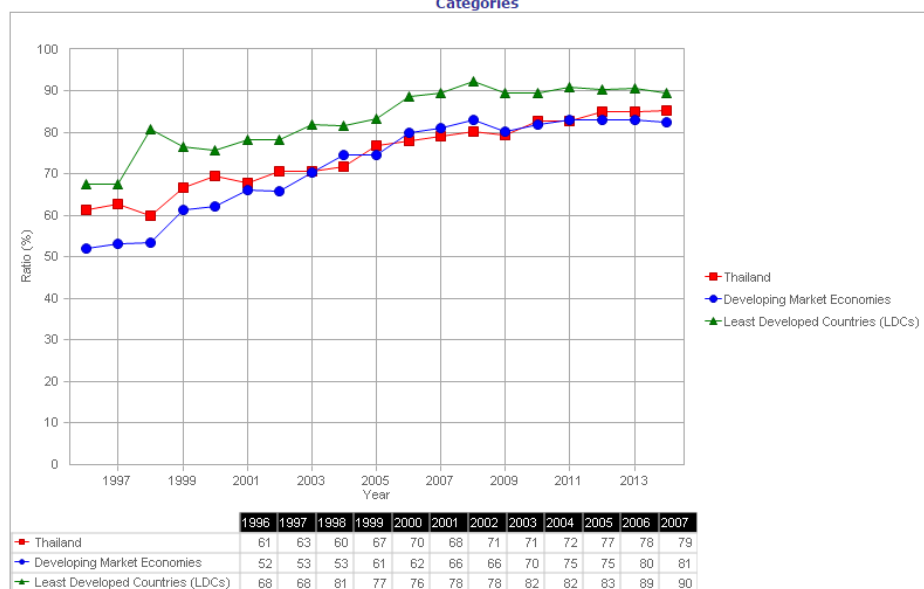

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Sri Lanka**, admitted free of duty for All Product Categories

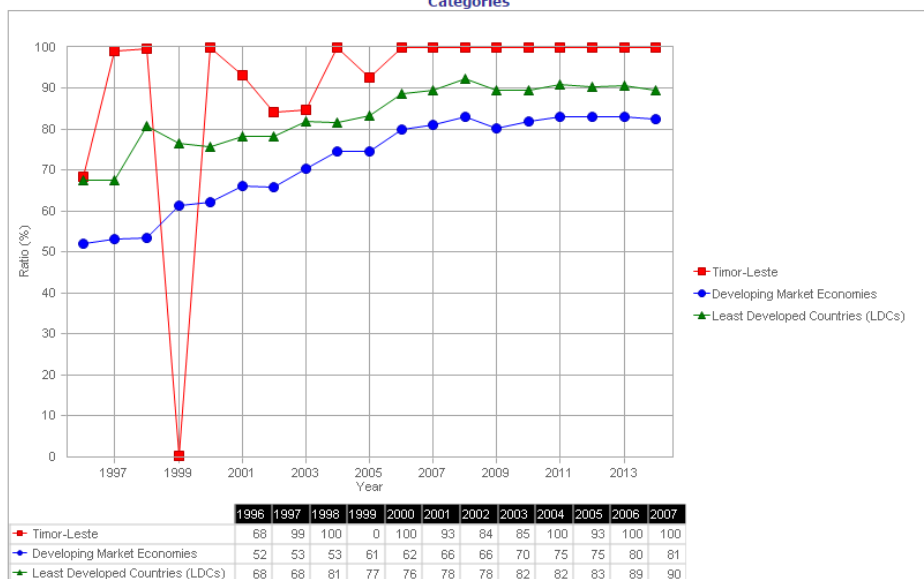

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Tajikistan**, admitted free of duty for All Product Categories

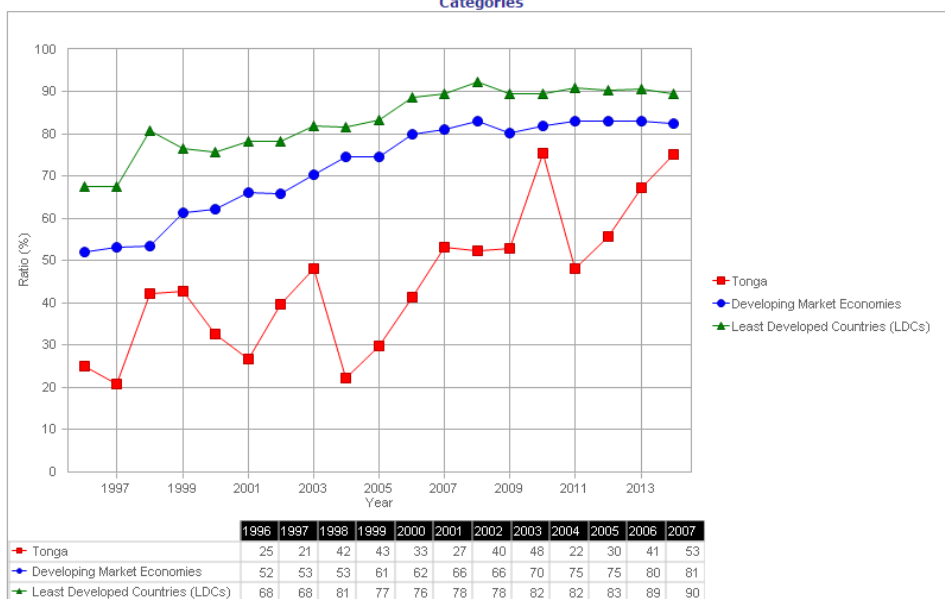

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Thailand**, admitted free of duty for All Product Categories

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Timor-Leste**, admitted free of duty for **All Product Categories**

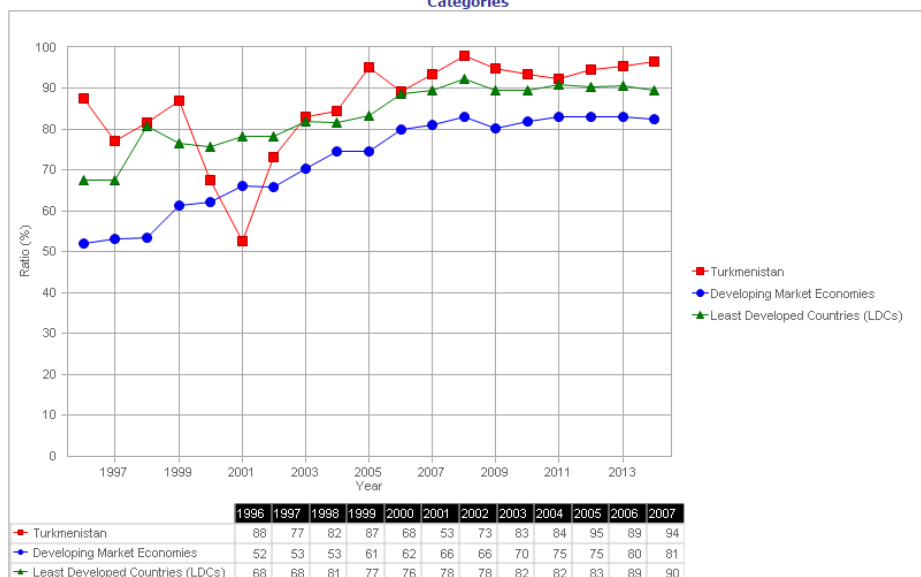

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Tonga**, admitted free of duty for **All Product Categories**

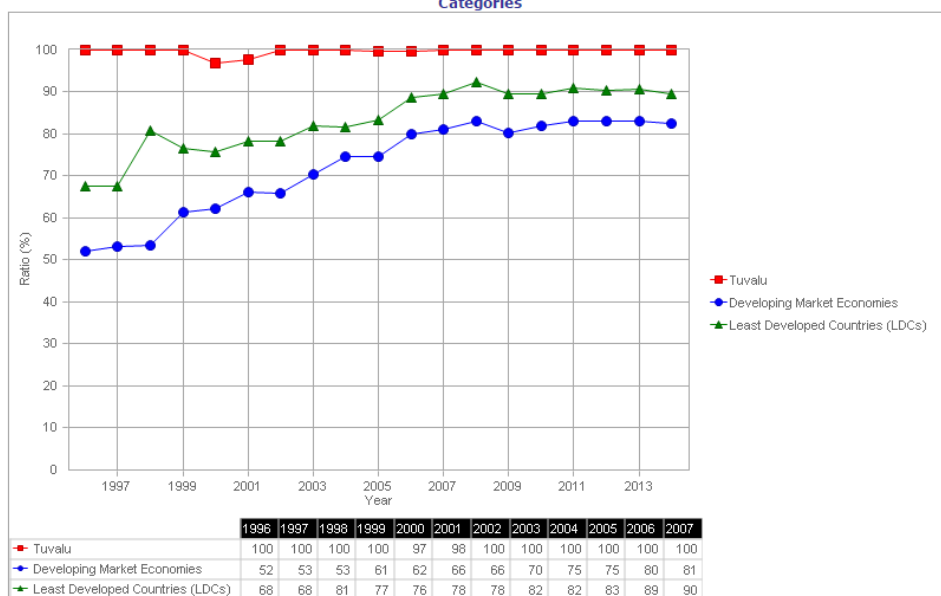

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Turkey**, admitted free of duty for **All Product Categories**

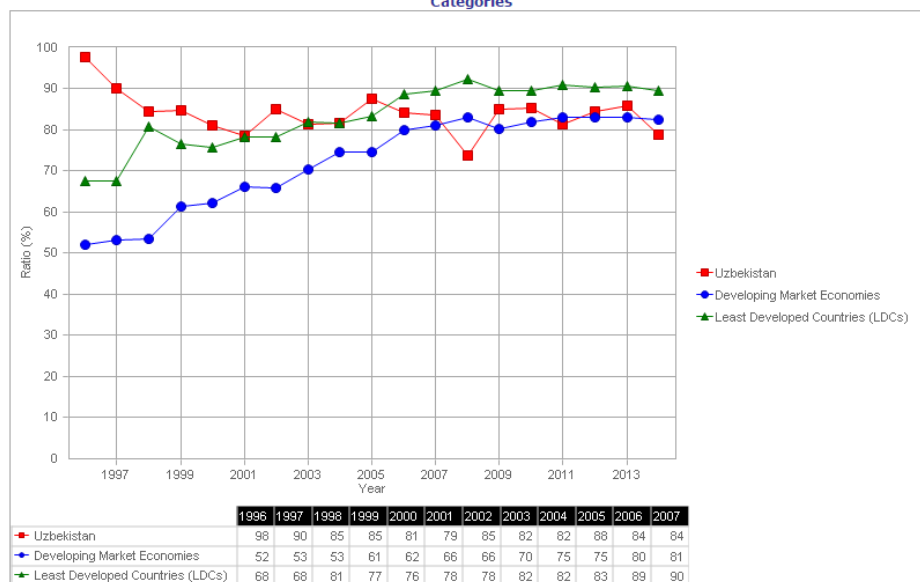

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Turkmenistan**, admitted free of duty for **All Product Categories**

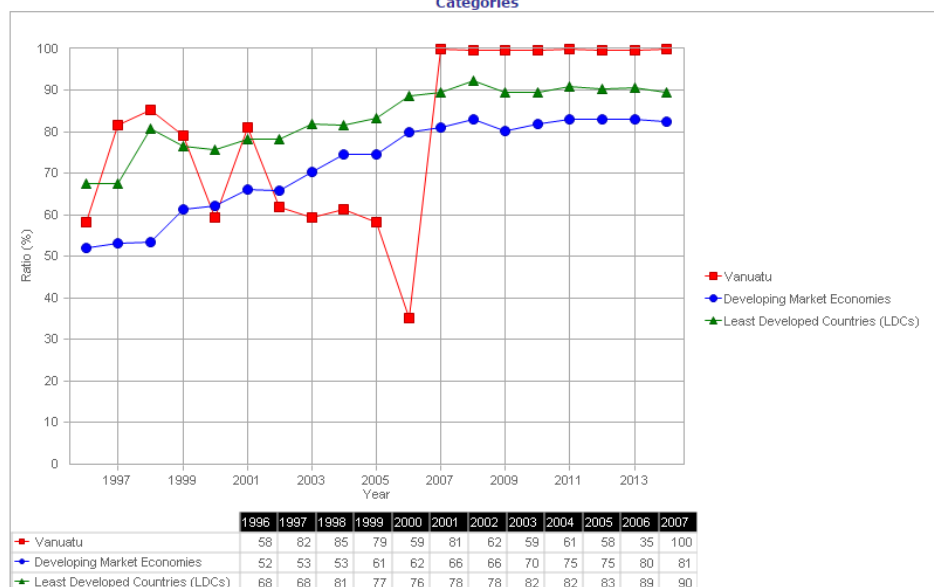

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Tuvalu**, admitted free of duty for **All Product Categories**

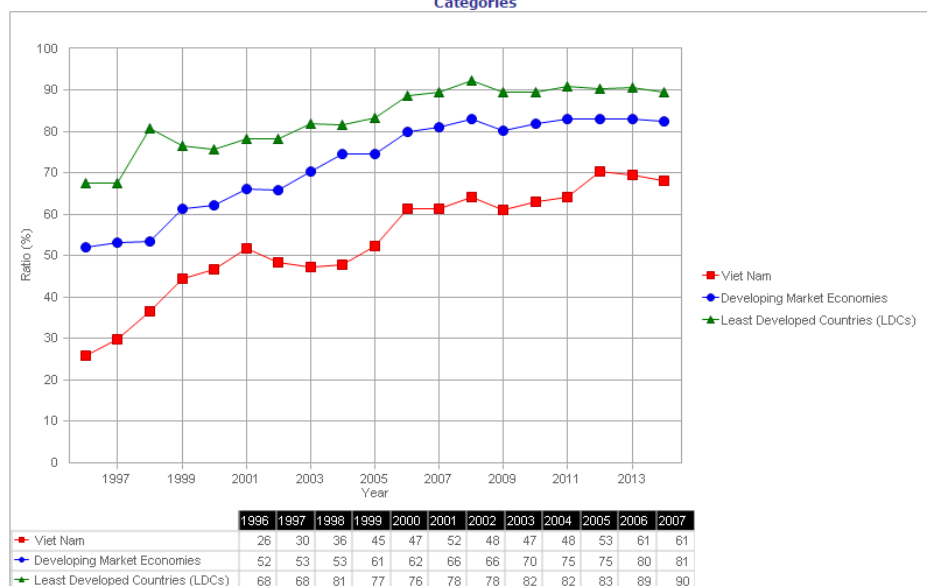

Proportion of total Developed Market Economies imports (by value) from Developing and Least Developed Countries, as compared with **Uzbekistan**, admitted free of duty for **All Product Categories**

Proportion of total **Developed Market Economies** imports (by value) from Developing and Least Developed Countries, as compared with **Vanuatu**, admitted free of duty for **All Product Categories**

Proportion of total **Developed Market Economies** imports (by value) from Developing and Least Developed Countries, as compared with **Viet Nam**, admitted free of duty for **All Product Categories**
