<p>30</p> <p>4.</p>	<p><b>E/ESCAP/CST(5)/4</b></p> <p><b>Report of the Regional Steering Group for <u>Civil Registration and Vital Statistics</u> in Asia and the Pacific on its 2nd meeting</b></p> <p><i>For the past 10 years the main cause of death men has been</i></p> <p><i>he also working closely with ministry of Health</i></p>	<p>Thank you Mr. <del>Madame</del> honorable chair and distinguished delegates, Ladies and Gentlemen. <i>malaysia - fully support and appreciate the work of Regional Steering Group</i></p> <p>Malaysia would like to take note the outcomes of the Regional Steering Group meeting held on 6-7 September 2016 in Bangkok, Thailand.</p> <p>Malaysia agrees that the Regional Action Framework is well aligning with the Sustainable Development Goals. In that conjunction, we agree that wider statistical community needs to develop a strategy that integrates efforts at the national and regional levels in order to ensure that civil registration and vital statistics systems benefit from the implementation of the Goals.</p> <p>In general, Malaysia also agree with the modernization of civil registration and vital statistics systems, including digitization and integration with existing administrative and survey data <i>including not medical certifier on cause of death</i></p> <p>Malaysia would like to participate actively in any forums/workshops/relevant activities on civil registration and vital statistics in order to produce more reliable vital statistics.</p> <p>Thank you Mr/Madame Chair. [Thank you for your attention].</p> <p><i>the Steering Group to CRV!</i></p>
