

The Philippines is one of the most vulnerable countries to the effect of climate change; & currently the country is experiencing the impact of El Niño, bringing damages to

○ farmland.

In view of this, my delegation affirms that the proposed roadmap draft present a framework for effective support to member states for the implementation of the 2030

○ agenda.

My delegation strongly supports the adoption of the Roadmap ^{for the} ~~of~~ implementation of the 2030 Agenda ^{of} ~~for~~ the SD for Asia Pacific.
