

Overview of the Meeting and Guidance on Contributions

*Regional Consultation on Analysis of Income Support Schemes in
Asia and the Pacific
Seoul, 1 June 2011*

Presentation

- ☐ Objectives of the meeting
- ☐ Guidance on contributions

Objectives of the Meeting

- ❑ **To build a clear and common understanding on the scope and method of future work and collaboration on Income Support Schemes in Asia and the Pacific:**
 - To finalize operational definitions of income support schemes through discussion on the parameters and sample schemes;
 - To build a common understanding on the purpose and methodology of the research;
 - To finalize items of information to be collected and analyzed; and
 - To finalize the draft program survey template
- ❑ **To establish networks among experts on social protection for further collaboration from research to advocacy**

Guide on Contributions to Session 2: Social Protection and Income Support Schemes

- ❑ Objective: to finalize operational definitions of ISS for this research
- ❑ Based on understanding the purpose and scope of the project
- ❑ Based on selected ISS examples in the sub-regions
- ❑ Interventions/Discussion might be around key ISS parameters and issues such as:
 - Responsibilities (who provides); Benefits (what is provided and over what period of time); Beneficiaries (to whom and how they are selected); and Financing (how to finance)
 - Special parameters can also be included in order to accommodate and reflect specific country contexts.

Guide on Contributions to Session 3: Review of the Research Framework

- ❑ Objective: to finalize data and information to be collected and analyzed and how to collect and analyze this material
- ❑ Based on the operational definition of ISS
- ❑ Interventions / Discussion might be around:
 - Specific items related to context, characteristics, institutions and outcomes of each ISS
 - Methods to collect data and comparability need to be discussed
 - ‘Information Exchanges’ on access to archives, experts, government internal data through the project

Guide on Contributions to Session 4: Program Survey Template

- ❑ Objective: to finalize the program survey template as a tool to collect data and information
- ❑ Based on actual examples from each sub-region
- ❑ Responses are expected to be around:
 - Gaps between expectation and results;
 - Availability and accessibility to data and information;
 - Discrepancies among the five sub-regions such as definitions/scope of ISS, level of details, methodology, time periods and scale of projects, etc; and
 - Anything in addition to guide and clarify the research and project

Guide on Contributions to Session 5: Tentative Work plan with timetable

- ❑ Objective: to decide on a tentative time plan and division of labor for the project and future collaboration:
- ❑ Interventions are around Q&A and exchanging views on the project and for future collaboration

Thank you
