---

Since the 1957 issue, the *Economic and Social Survey of Asia and the Pacific* has, in addition to a review of the current situation of the region, contained a study or studies of some major aspect or problem of the economies of the Asian and Pacific region, as specified below:

- 1957: Postwar problems of economic development
- 1958: Review of postwar industrialization
- 1959: Foreign trade of ECAFE primary exporting countries
- 1960: Public finance in the postwar period
- 1961: Economic growth of ECAFE countries
- 1962: Asia's trade with western Europe
- 1963: Imports substitution and export diversification
- 1964: Economic development and the role of the agricultural sector
- 1965: Economic development and human resources
- 1966: Aspects of the finance of development
- 1967: Policies and planning for export
- 1968: Economic problems of export-dependent countries. Implications of economic controls and liberalization
- 1969: Strategies for agricultural development. Intraregional trade as a growth strategy
- 1970: The role of foreign private investment in economic development and cooperation in the ECAFE region. Problems and prospects of the ECAFE region in the Second Development Decade
- 1971: Economic growth and social justice. Economic growth and employment. Economic growth and income distribution
- 1972: First biennial review of social and economic developments in ECAFE developing countries during the Second United Nations Development Decade
- 1973: Education and employment
- 1974: Mid-term review and appraisal of the International Development Strategy for the Second United Nations Development Decade in the ESCAP region, 1974
- 1975: Rural development, the small farmer and institutional reform
- 1976: Biennial review and appraisal of the International Development Strategy at the regional level for the Second United Nations Development Decade in the ESCAP region, 1976
- 1977: The international economic crises and developing Asia and the Pacific
- 1978: Biennial review and appraisal at the regional level of the International Development Strategy for the Second United Nations Development Decade
- 1979: Regional development strategy for the 1980s
- 1980: Short-term economic policy aspects of the energy situation in the ESCAP region
- 1981: Recent economic developments in major subregions of the ESCAP region
- 1982: Fiscal policy for development in the ESCAP region
- 1983: Implementing the International Development Strategy: major issues facing the developing ESCAP region
- 1984: Financing development
- 1985: Trade, trade policies and development
- 1986: Human resources development in Asia and the Pacific: problems, policies and perspectives
- 1987: International trade in primary commodities
- 1988: Recent economic and social developments
- 1989: Patterns of economic growth and structural transformation in the least developed and Pacific island countries of the ESCAP region: implications for development policy and planning for the 1990s
- 1990: Infrastructure development in the developing ESCAP region: needs, issues and policy options
- 1991: Challenges of macroeconomic management in the developing ESCAP region
- 1992: Expansion of investment and intraregional trade as a vehicle for enhancing regional economic cooperation and development in Asia and the Pacific
- 1993: Fiscal reform. Economic transformation and social development. Population dynamics: implications for development
- 1995: Reform and liberalization of the financial sector. Social security
- 1996: Enhancing the role of the private sector in development. The role of public expenditure in the provision of social services
- 1997: External financial and investment flows. Transport and communications
- 1998: Managing the external sector. Growth and equity
- 1999: Social impact of the economic crisis. Information technology, globalization, economic security and development
- 2000: Social security and safety nets. Economic and financial monitoring and surveillance
- 2001: Socio-economic implications of demographic dynamics. Financing for development
- 2002: The feasibility of achieving the Millennium Development Goals in Asia and the Pacific. Regional development cooperation in Asia and the Pacific
- 2003: The role of public expenditure in the provision of education and health. Environment-poverty nexus revisited: linkages and policy options
- 2004: Poverty reduction strategies: tackling the multidimensional nature of poverty
- 2005: Dynamics of population ageing: how can Asia and the Pacific respond?
- 2006: Emerging unemployment issues in Asia and the Pacific: rising to the challenges
- 2007: Gender inequality continues – at great cost
- 2008: Unequal benefits of growth – agriculture left behind
- 2009: Triple threats to development: food, fuel and climate change policy challenges
- 2010: Multiple imbalances and development gaps as new engines of growth. A regional policy agenda for regaining the dynamism
- 2011: Regional connectivity and economic integration. Building the productive capacity of the least developed countries
- 2012: Living with high commodity prices
- 2013: Developmental macroeconomics: the critical role of public expenditure. Investing in inclusive and sustainable development

## READERSHIP SURVEY

The Macroeconomic Policy and Development Division of ESCAP is undertaking an evaluation of this publication, *Economic and Social Survey of Asia and the Pacific 2014*, with a view to making future issues more useful for our readers. We would appreciate it if you could complete this questionnaire and return it, at your earliest convenience, to:

Director  
 Macroeconomic Policy and Development Division  
 ESCAP, United Nations Building  
 Rajadamnern Nok Avenue  
 Bangkok 10200, THAILAND

### QUESTIONNAIRE

	<i>Excellent</i>	<i>Very good</i>	<i>Average</i>	<i>Poor</i>
<b>1. Please indicate your assessment of the <i>quality</i> of the publication on:</b>				
• Presentation/format	4	3	2	1
• Readability	4	3	2	1
• Timeliness of information	4	3	2	1
• Coverage of subject matter	4	3	2	1
• Analytical rigour	4	3	2	1
• Overall quality	4	3	2	1
<b>2. How <i>useful</i> is the publication for your work?</b>				
• Provision of information	4	3	2	1
• Clarification of issues	4	3	2	1
• Its findings	4	3	2	1
• Policy suggestions	4	3	2	1
• Overall usefulness	4	3	2	1
<b>3. Please give examples of how this publication has contributed to your work:</b>				
.....				
.....				
.....				
.....				

**4. Suggestions for improving the publication:**

.....  
.....  
.....  
.....

**5. Your background information, please:**

Name: .....  
Title/position: .....  
Institution: .....  
Office address: .....  
.....

**Please use additional sheets of paper, if required, to answer the questions.  
Thank you for your kind cooperation in completing this questionnaire.**
