

A purple-tinted photograph of a rice field. In the background, a group of people are working in the water, likely planting rice seedlings. A small red tractor is visible among them. The foreground is a grassy field. The sky is overcast. The text is overlaid in the center.

Planting rice is no joke.
Magtanim ay 'di biro.

The background image shows a rural landscape with a purple overlay. In the middle ground, a group of people are working in a field, possibly planting or tending to crops. A sign is visible in the background with text that includes "LITA", "NGBI", "UN", "AL", and "MAYU". The foreground is filled with tall grass and some low-lying plants.

BUNGKALAN

collective land cultivation

For 10 years, we were not able to go to our farms. It was very hard. Our rice container even had spiderwebs because it was empty.
If we're lucky, and someone would lend us money, we use it to buy a kilo of rice for the whole day.

The background image shows a rural landscape with a purple overlay. In the middle ground, a group of people are working in a field, possibly planting rice seedlings. A sign is visible in the background with text in Indonesian: "LUPA", "NGBI", "UN", "AL", "MAYU". The foreground is filled with green grass and plants.
