GIRLIE GRACE J. CASIMIRO-IGTIBEN

Chief Economic Development Specialist

National Economic and Development Authority

Philippines

FIRST VNR 2016:

Identified Next Steps

- Incorporation of SDGs in national development frameworks
- Development of SDG indicators
- Appropriate monitoring system to support the accountability mechanism
- Advocacy/creating ownership of the SDGs
- Building capacities of local leaders and communities, statistical agencies
- A clear implementation Plan

SECOND VNR 2019:

Accomplishments

- SDGs mainstreamed in the Philippine Development Plan, Regional Development Plans, and Sectoral Plans
- Adoption of Tier 1 (155 indicators), 2, and 3 indicators
- NEDA (lead in monitoring and coordination of implementation); PSA (lead in monitoring the indicators); Senate Committee on the SDGs, Innovation and Futures Thinking and House of Representatives Committee on the SDGs (legislative)
- Advocacy done among various sectors and stakeholders
- Localization and capacity-building being led by the Department of the Interior and Local Government with PSA and PSRTI
