 - + Two branches in Danang & Ho Chi Minh city

NETWORK ON STANDARDIZATION & CA ACTIVITIES

Member of International Organizations

■ 7 International Organizations

Order	Organization	Since	Kind of Member
1	ISO - International Standardization Organization	1977	Full member
2	IEC - International Electrotechnical Commission	2002	Associate
3	OIML - Organisation Internationale de Metrologie Legale	2003	Full member
4	ILAC - International Laboratory Accreditation Cooperation	1992	Full member
5	CAC - Codex Alimentarius Committee	1989	Full member
6	GS1 – Global Solution (former as EAN) - International	1995	Full member
7	CGPM- General Conference on Weights and Measures	2003	Associate

Member of Regional Organizations

➤ 11 Regional Organizations

Order	Organization	Since	Kind of Member
1	PASC - Pacific Area Standards Congress	1992	Full member
2	APLAC - Asia Pacific Laboratory Accreditation Cooperation	1995	Full member
3	APMP - Asian Pacific Metrology Program	1995	Full member
4	APQO - Asian Pacific Quality Organization	1994	Full member
5	ACCSQ - Asian Consultative Committee for Standards and Quality	1995	Full member
6	APEC -SCSC - Asian Pacific Economy Cooperation - Sub Committee for Standards Conformance	1998	Full member
7	APO - Asian Productivity Organization	1996	Full member
8	APLMF -Asian Pacific Legal Metrology Forum	1996	Full member
9	ASEM- Asia Europe Meeting	1996	Full member
10	AFIT- Asia Forum on Information Technology	1998	Full
11	PAC- Pacific Accreditation Cooperation	1996	Full

Main function

- To develop strategies, policies, plans, measures on SMQ
- To develop laws and regulations on SMQ
- To organize the dissemination, implementation & promotion

STAMEQ' ACTIVITIES

- ☞ **Standardization;**
- ☞ **Certification;**
- ☞ **Metrology/Measurement;**
- ☞ **Testing;**
- ☞ **Inspection;**
- ☞ **Quality management;**
- ☞ **Productivity;**
- ☞ **Other related activities (numbering and bar-coding; Vietnam National Quality Award (VQA); SME support, etc.)**

ORGANIZATION STRUCTURE

- 2 Main Functions
 - State Management
 - Technical Services

Vietnamese agricultural products dominate high-grade market

Vietnam officially begins exporting its mangoes to the US market after 10 years of discussion

Vietnamese agricultural products dominate high-grade market

it is necessary to standardise and raise the quality of goods through good practice according to VietGAP, **GlobalGAP**, **HACCP** standards from planting and production stages

Annual Meeting 2019

Prime Minister Nguyen Xuan Phuc said
Viet Nam has increasingly integrated
into the global economy as evidenced by
the signing of several free trade agreements.

*EuroCham Chairman met with Director General for
Standards, Metrology and Quality
Director Tran Van Vinh and EuroCham Chairman Jens
Ruebbert*
