

UN ESCAP Embassy of Sweden

Second Regional Workshop
Empowering People for a Sustainable Future

Bangkok, 25–26 March 2019

#Action4theGoals

#Action4TheGoals
#APFSD

Session 5: Public Foyer SDG 13 – Climate Action

Mr. Stefanos Fotiou

Director, Environment and Development
at United Nations ESCAP

Moderator: Ms. Evelyne Batamuliza

Gender and Climate Change Finance
Regional Specialist, UNDP

“The issue of climate-induced displacements may become a human crisis. Loss of territories in the Pacific due to sea-level rise can pose new international policy dilemmas that touch upon sovereignty, legal, social and cultural issues”

#tenyearchallenge

Question 1: How can participation help in addressing environmental challenges and support implementation of the SDGs? How can the quality of participation be ensured; how do you ensure accountability of stakeholders?”

#Action4TheGoals
#APFSD

Question 2: How can participation ensure those who are at risk of being left behind are included in development processes?

Question 3: How can regional cooperation and partnerships contribute to the achievement of the Agenda 2030, and how can the regional bodies/institutions/mechanisms be strengthened to implement the Agenda 2030?
