

Do you see other financial innovation such as impact investment?

Notes:

Mr. Thomas  
Jacquot

Transparency  
Governance

Integration  
or  
Adaptation

	Carbon	Waste	Water use
Power	x	x	x
Building	x		x
Transport	x		x
Water	x		

Do you see a strong appetite for green bonds?  
Double its size in 2016 - \$9.0 bn in 2016  
\$20 bn in Q1 2017

How to scale up the use of these instruments?

How can rating agencies help investor to identify  
investment opportunities

Mitigation

Adaptation

United Nations Conference Centre, Bangkok

Michael Horn

Investors = return earning a return

resilient and sustainable investment  
critical ~~is that~~ to achieve this

investors focusing on green bond - why?  
- ESG mandate  
- return

Paris agreement

Philanthropist
