

OECD UNESCAP 3 NOVEMBER 2009

“A CRISIS IS TOO PRECIOUS TO WASTE ”

Speaker points by Mr. Herman Mulder

Boardmember of NCP-NL, GRI, GC-NL, TEEB

We got it ALL sensationally wrong, and still do....

“ We cannot walk alone...”: from Pain to Gain?

**“ I have a nightmare...”, Monday 12, 2015:
Malthus & Marx**

How on Earth to live together...with 9 bln people

**Global issues: old & new scarcities, gross
injustices, short termism, no trust**

It is the stupid economy...Stupid...!

“I have a dream....”

**We need a new globally shared value system, purpose....
and act on it!**

Triple P context: Green & Fair Economy

**Multi-stakeholder cooperation & community action
market democracy**

Capitalise on diversity, complementarity with respect.....

**Smart governments, sustainable capitalism, engaged
citizens....**

**2010 as Year of Opportunity for
convergence, inclusion, change lenses...**

Reconstruction has begun....

**G20, OECD Guidelines, WTO, TEEB, and
more....**

**Challenge: make whole on promises and
commitments....**

Need leadership & resolve
