

**OECD-UNESCAP 3 November 2009**

**“ OECD GUIDELINES’ FEATURES AND REVIEW ”**

**Speaker points by Mr Herman Mulder**

**Board member NCP-NL, GRI, GC-NL, TEEB**

**Global issues with no borders..... effective solutions?**

**Prices were not rights, markets not efficient,  
regulations not effective**

**Overstretched governments...**

**Managing diversity & complexity: conflicting  
strategic drivers..**

**Need holistic diagnostics, collaborative approaches**

**Mandatory self-regulation plus public disclosure  
Effective, public dispute resolution**

# **OECD Guidelines Review:**

**Aspiration: highest common standard**

**Scale: all G20+ to adopt**

**Scope: financial services; investment nexus; duty of due diligence, precaution, care; group responsibility**

**Procedure: forward looking; functional equivalence; professionalism**

**Compliance: more prevention, promotion; practice sharing**

**Enforcement: public profile of Final Statement; monitoring progress**
